I have the honor to inform you that Mr. W. Venkataraddi Naion, Sub Engineer 1st grade, was confirmed in his appointment on 15th February 1894; and has consequently completed 5 years service in that grade and is entitled to an increment of Rs 50 per mensem as laid down in Code Vol I Chapter I para 18.

It is hardly necessary for me to speak of his services as they have been more than once recognized by Government.

I request therefore that sanction for his increment might be obtained with retrospective effect from the 1st March 1899.
