cover the outlay the Examiner has --
treated the expenditure as objectionable,
and the Supdt. of Works applies for the
sanction of Government to the outlay
incurred without appropriation. As
the grant for the work under Miscella-
neous Public Improvements has not been
operated upon and has lapsed, there
has been no actual excess expenditure
in connection with the work. The ob-
jection taken by the Examiner is purely
technical, and the sanction applied for
may therefore be accorded.
