SIR,

Enclosures. one
Proposition statement.

In Reply

I have the honor to submit a proposition statement for a 2nd clerk for the Gunter sub Division office Krishna Northern Division from 1st July to the end of the year.

The proposition statement for the Division only allowed for this clerk for three months (April to June) vide G.O. No. 1221 W of 5th May 1899.

It is explained however that when the proposal was made there was a separate subordinate (Mr Sydenham) with a clerk working under him holding charge of Gunter and Lathenapalli Taluks. Since then a subordinate has been posted to permanent charge of the sub Division and to hold himself direct charge of these taluks.

Thus the work previously performed by 3 clerks is now being carried out by two. Should the further reduction take place from 1st July, only one clerk

will be left to do the work performed previously
by 3 clerks.

This was never the intention.

The sanction of the proposition statement is therefore
recommended.

I have the honor to be
Sir,

Your most obedient servant,

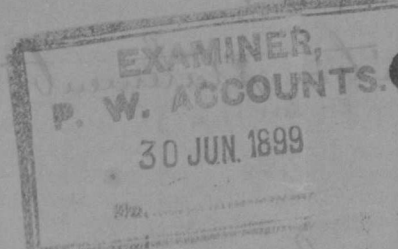

Wm. M.
