READ—the following papers:—

From Commander T. G. R. FINNY, R.I.M., Presidency Port Officer, Madras, to the Secretary to Government, Marine Department (through the Secretary to Government, Public Works Department), dated 3rd July 1899, No. 137/236-G.

With reference to paragraph 2 of G.O., No. 123 W., dated 12th January 1899 (G.O., No. 115, Marine, dated 4th February 1899), I have the honour to forward, herewith, duly countersigned, for sanction of Government and allotment of funds, an estimate (with plan), amounting to Rs. 860, for erecting a timber and tatty bed-room on the roof of the Port officer's residence at Pamban. The amount can be met from the current year's budget grant of Rs. 4,000 for "Improvements to Port officer's residence," Pamban.

2. With regard to "converting the existing shed into a stable," a further application for allotment will be made on the Superintending Engineer intimating to this office the actual amount of the estimate which is said to be now under preparation, the cost given approximately being about Rs. 70.

Note by the Chief Engineer, Public Works Department.

Submitted for the sanction of Government, with the remark that no provision has been made for repairing or improving the present roof to serve as floor of the bed-room. It is thought that something of the kind must be necessary, or that matting, at any rate, should be provided.
