No. 21

OFFICE OF THE DIRECTOR OF
GOVERNMENT CINCHONA PLANTATIONS.

OOTACAMUND, 5th July 1899.

From

W. M. STANDEN, Esq.,

DIRECTOR OF THE GOVERNMENT

CINCHONA PLANTATIONS,

Nilgiris.

To

The Secretary to Government,
Revenue Department,
Ootacamund.

SIR,

I have the honor to report that one of
the boilers in the Nedivattam Quinine Factory
has become disabled, and is unfit for work. This
boiler was purchased second hand for Rs 350/- in
the year 1890, and I do not think that it is worth
repairing.

2. As I considered it necessary to secure the
advice of an expert in the matter, I made a reference
to the Inspector of Steam Boilers, Madras, requesting
him to depute a man to report on the state of
the boiler, but that officer has replied that he is the
only Inspector in his Department and that he
cannot undertake to report without the sanction
of Government.

3. Although the work in the factory has not
been stopped it is at present being conducted
under

under considerable difficulties and it is necessary
that the disabled boiler should either be repaired,
or replaced by a new one as soon as possible.

4. I have the honor to request, therefore,
that the Inspector of Steam Boilers may be ordered
to inspect and report on the boiler at a very early
date.

I have the honor to be,
Sir,

Your Most obedient Servant.
Wm. Stauden
Director.
