and J. C. Larminie and Col. A. W. Smart R.E. were directed to form themselves into a Committee to inspect the various dam sites for the Bhavani reservoir. In accordance with this order, the Committee met at Kothamangalam on the 1<sup>st</sup> October last, the date on which Mr. Larminie's appointment as Chief Engineer for Irrigation expired. It was therefore necessary that Mr. Larminie should surrender his office to Mr. Hughes on that date. Hence the necessity for his handing over charge of the appointment of Chief Engineer for Irrigation and assuming that of Special Superintending Engineer at Kothamangalam on the date in question.

Para 2 fixes Mr. Larminie's Headquarters at Coimbatore, this being the most convenient station.

1. Disallowances from Salary Travelling Allowance and Contingent bills of a Division or Office, will be neatly entered in this form by the Auditor and sent to the Deputy Examiner or Examiner for approval.

2. The reason for disallowance should be stated concisely and to the point, and should always give the ruling of the Public Works or Civil Travelling Allowance Codes or Government orders under which the amounts claimed are objected to. All items provisionally passed, or items the audit of which is deferred for the want of information, should be so mentioned, and each item of disallowance should be marked by a distinguishing number.

3. On the disallowance list being duly passed by the Examiner or Deputy, alterations made in the bills will be noted in red ink over the original entries in the Register of Salaries, Travelling Allowances, or Contingencies, as the case may be; the number of the item in the list being quoted opposite to the item in the Register in the column provided for the purpose in the different parts of the forms concerned.
