BACK PAPERS.

FURTHER PAPERS.

From C. A. Smith Esq., Executive Engineer,
South Arcat Division, to the Supt.
Engineer, V. Circle, dated Maddalore
14th June 1899, No. 373 S. E.

It has been brought to my notice by the Sub-Divisional Officer, Luddalore, that the amount of Imprest Rs 10, granted to his clerk is inadequate and that it frequently happens that more than Rs 10 has to be advanced for railway fare of Lascars in a month before the usual Travelling allowance is disbursed to them.

2. As G. O. No. 3208 W of 30-11-91 does not authorize any increase to the imprest of Sub. D. Officers above £10, I have the honour to request that you will be good enough to obtain the sanction of Government, if necessary, to increasing the imprest of Sub. D. Officers from £10 to 20 in special cases.

There is no audit objec-
tion to increasing the imprest of Sub -
Divisional clerks from Rs: 10/- to 20/-
but it is for Government to consider --
whether they would prefer to allow this
in specific cases or to leave the ques-
tion entirely in the hands of the Super-
intending Engineer subject to the pro-
posed limit of Rs: 20/-.
