The Chief Engineer and
Secretary to Government
P. O. S. D.

Madras.

The humble petition of P^r Soobha Row
Maistry. P^r H. D. Financelly Division
Srinielliputture.

Most Respectfully Sheweth

That in Government order No. 2620 H dated 11-10-98, the Government of Madras was pleased to order on your petitioner's appeal dated 19th August 1898, that there is no objection to his being employed, as a temporary clerk in the Department.

In obedience to the said order,
He begs to state that he applied
to the Superintending Engineer 6th Circle,
for a temporary clerical place, and
in reply in his endorsement No 957
T. N. dated 9th December 1898. The Superintending
Engineer 6th Circle, directed that there
will be no objection to your humble petition
being

being employed as temporary clerk, provided your petitioner is qualified under the Examination rules.

3. On the petitioner's application and after reference to the Educational Department, the Government was pleased to order in Government order No. 138 Educational dated 10th March 1899, communicated to your humble petitioner in Government order No. 851 dated 20-3-99, that the request made by the petitioner cannot be considered unless preferred on his behalf by the head of the office wishing to employ him.

4. In receipt of this Government order your humble petitioner again respectfully requested the Superintending Engineer B. C. Circle, to apply for exemption from examination rules, and in reply he was given an endorsement in Superintending Engineer's No. 290 T. N. dated 15th April 1899, that, that officer is not prepared to appoint him, as a clerk and recom-

recommend to him from the Examination rules.

5. From the time he was thrown out in 1884, he was promised a temporary clerk's place, but he was never given a chance till now. He is a poor man and as he has family to support and as he was condemned for not complaining against his Superior Officers, and as the Superintending Engineer B. C. Circle is still not prepared to shower the blessings of mercy on your humble petitioner, even after all the subsequent and previous good Credentials, your humble petitioner has no other course left open than to submit his case for the mercy of the benign Government for such orders, as it may deem fit to pass to relieve your humble petitioner from distress.

For this act of charity and benevolence, your honor's humble petitioner shall as in duty bound ever pray for your honor's long life and prosperity.
