The Superintending Engineer  
W. C. C. C.

Sir,

In Supersession of my Letter No: 2674  
of 3<sup>rd</sup> June 1899 bearing your Endorsement No: 386  
of 8<sup>th</sup> June 1899, I have the honour to inform you  
that an outlay of Rs 60 was incurred by the  
Sub D. C. Officer, Nilgiris on account of war  
Clothing supplied to mile peons employed  
on the Ooty - Kullar road, and to request  
that you will kindly obtain the sanction  
of Govt to the incurrence of the Charge, with  
a view of removing the objection raised by the  
Examiner.

The cost of the warm clothing was originally charged to the work on which the men were employed, but it was subsequently written back to Establishment contingencies under instructions from the Examiner in the accounts for Debts, hence this late application.

Submitted to the Chief Engineer  
for

for favor of obtaining sanction of Government.

2. The Executive Engineer has not applied for sanction prior to the supply evidently under the impression that the cost could be debited to the maintenance and repair estimate of Ooty-Kallar road.
