GOVERNMENT OF MADRAS.
LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 29th May 1899, No. 1575-S.

With reference to G.O., No. 827 L., dated 6th May 1896, requiring the institution of Village Inspection Books, I have the honour to state that reports received from District Medical and Sanitary Officers show that though these have been duly provided in villages, inspecting officers fail to utilize them. I therefore advise that Government be pleased to require the attention of Collectors to the subject, with the object of their issuing necessary orders to their officers.

ORDER—No. 1316 L., dated 3rd July 1899.

Communicated to the Revenue, Judicial and Public Works Departments and to the Surgeon-General for necessary action with reference to paragraph 1 of G.O., No. 25 L., dated 7th January 1896, in which it was stated that the officers of the Revenue Department not below the rank of Tahsildar and all gazetted officers of the Police, Public Works, Sanitary and Medical departments would be expected, when visiting the union villages on tour, to enter in the village sanitary inspection book any remarks which they may have to offer.
