It having been reported that the Suptg. Engineer's residence at Berzwada was rendered uninhabitable from the 1st Decr. 1898 to the 1st Febr'y 99 owing to extensive repairs to the building being in progress, & that the tenant was in consequence compelled to hire another home, Govt. in go. No. 1577 W dated 16th June 1899 (flagged D) remitted the rent for the period in question.

2. The Offg. Supts. Lbr., II Incl
now reports that the repairs
alluded to were actually in
progress from the 5th Dec. 98 to
the 31st Jan'y 99, & he raises
the question whether the remission
of rent already granted can be
held to cover the days out of

this period i.e. 1st to 4th Dec 98
& 1st Feby 1899.

3. The Examiner is of opinion
that although in this case
the repairs were actually com-
menced on 5th Dec. 98. yet if
the building was in consequence
uninhabitable from a prior
date viz. 1st idem, the remission
allowed may be ~~allowed to~~
stand. As for the 1st Feby., the
Examiner thinks no special notice
appears necessary as some time
(in this case only one day) must
necessarily elapse between the
completion of repairs & the re-
occupation of the building.

The Supts. Insp., II Circle,
reports that the building was
uninhabitable from 1st to 4th
Dec. 98.

5. It is submitted that it
would not be equitable to
decide this question by a rigid
interpretation of Code rules. In
the paper flagged H it is stated
that Mr. Hannan had engaged
a house on a monthly rent of
less from 1.12.98 to 3.2.99. It

1524

was therefore not his fault
that the repairs were not ac-
tually commenced on the 1st
Dec. A few days must necessarily
be allowed for the collection
of materials & before repairs
are started. There seems ~~therefore~~
no reason to modify the
remission already granted, &
it is submitted that the
Supts. Insp. may be informed
accordingly.

With reference to G.O. No 1577W of 16th June/99.
I have to report that the actual dates
between which the repairs alluded to were
in progress ^{are} now reported by the Executive
Engineer Kristna Easton to be from 5th December
1898 to 31st January/99 inclusive and it is
a question whether the remission of rent
granted can apply for any day outside this
period.

It is probable that the other house hired
by Mr. Hannan had to be taken from the
1st of the month but it seems doubtful if
this could be held to cover the remission
of rent granted from 1st to 4th December and
for 1st January.

I have the honor to be

Sir,

your most obedient servant.
