AUGUST.

Famine Relief Work

Sanctions for execution as a — the estimate, amounting to Rs. 40,000, for constructing a road from Ambásamudram to Alankulam *viâ* Papakudi, in the Tinnevelly district.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From E. SCOTT, Esq., President, District Board, Tinnevelly, to the Secretary to Government, Local and Municipal Department (through the Superintending Engineer, VI Circle), dated 3rd June 1899, Ref. on Cur. No. 212 of 1898.

I have the honour to state that a famine estimate for Rs. 40,000 for constructing a road from Ambásamudram to Alankulam *viâ* Papakudi, was sanctioned by the District Board in its resolution No. 1, dated 20th May 1899 (copy enclosed), and to request that you will be good enough to obtain the sanction of Government to the estimate which is enclosed.

2. The work has been included in the programme of famine-relief works for 1899–1900.

From Lieutenant-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Kodaikánal, 23rd June 1899, No. 470 T.N.

I have the honour to forward, herewith, a famine estimate for Rs. 40,000 for constructing a road from Ambásamudram to Alankulam *viâ* Papakudi, received from the President, District Board, Tinnevelly, with his letter C. No. 212 of 1898, dated 3rd June 1899, addressed through me to the Secretary to Government, Local and Municipal Department, Fort St. George.

2. Provision is made in the estimate for constructing the road with its formation level at the average height of 3 feet above ground level with top width of 20 feet and side slopes 2 : 1. The road will be metalled and gravelled for a width of 8 feet. Provision is also made for an approximate amount of compensation, amounting to Rs. 6,800, for the necessary land to be taken up. No land schedule is forwarded, but the President will be written to to forward an accurate land schedule. Meanwhile I submit the estimate being a famine estimate. The rates are fair.

3. A copy of the District Board's resolution No. 1, dated 20th ultimo, sanctioning the estimate is also attached to the estimate.

Order—No. 2107 W., dated 10th August 1899.

The estimate, amounting to Rs. 40,000, for constructing a road from Ambásamudram to Alankulam *viâ* Papakudi, in the Tinnevelly district, is sanctioned for execution as a famine-relief work.

2. This sanction has been registered as Local No. 12 W. of 1899–1900.

(True Extract.)

Under Secretary to Government.

To the Superintending Engineer, VI Circle.

NOTE BY TECHNICAL SECTION.

W

It is not clear ~~from the papers~~ whether this is a true Famine Estimate viz an Estimate only to be carried out as a famine relief work or not. The Supg. Engr. calls it a Famine Estimate, but the President only says it has been entered on the programme of Famine relief works. The Supg Engineer may be requested to report whether ~~he~~ it is proposed to ~~execute~~ make the road as an ordinary work to to reserve it for Famine relief

HLG 30/6

It Lays 10

Name of work Constructing a Road from Ambasamudram to Alankulam via Papakudi. (Tinnevelly Dist).

Estimate Rs. 40.000.

This is a Famine Estimate sanctioned in G.O.: Board's Proceedings dated 20.V-99: and forwarded through the SE VI Circle for sanction of Govt.

At the head of the Estimate the total length of the road is given as 15 miles - whereas the Estimate is prepared for only 9½ miles (vide Abstract) - In the absence of any Explanation, it can only be surmised that 5½ miles of this road are already completed.

	Rs.
The total cost of one mile =	3475
Total for 9½ miles Say.	33000
	Rs 36475

Formation, width & level -

3 ft: average above ground level

Top width 20 ft. - Slopes 2 to 1.

Metalling - width 8 ft. thickness 6"

Gravelling width 12 ft. thickness 3"

It is not clear why a top width

Dw

P. W. 60.
250-5-2-98.

of earthwork formation of 20 ft is taken when the gravelled width is only 12 ft. - A top width of 15' would be ample, allowing 1½ ft on each side of the gravel formation - It is presumed that this is an ordinary District road.

20' is a very good width -

Compensation. A lump sum of Rs 6800 is provided for compensation of land - but no schedule is forwarded. The S.E remarks in his letter, that the President Dt: Board will be written to, to forward an accurate land schedule -

Miles, furlong & boundary stones - A lump sum of Rs 200 is allowed. Correct charges for the above.

Rates. The average distance of the quarries for procuring metal and gravel is from [illegible] 5 miles - and the rates allowed appear fair.

Total Estimate for 9½ miles of road Rs 40000

A.R.
30.VI.99

D.W.
For orders whether the estimate be sanctioned. [illegible]

The road seems evidently intended as a famine relief work - [illegible] sanction as such. They can correct, if necessary
