Enclosures.

SIR,

I have the honor to bring to your notice that Mr. F. M. Parker Executive Engineer was obliged to be constantly on the Locanada Water Works during the month of May/99 and consequently halted there from 1st to 12th and 18th to 31st i.e. more than ten days at a time.

2 I am satisfied that the prolonged halt was necessary in the interests of the Public Service, and that was also necessary for Mr. Parker to maintain camp equipage during those days.

3 Under these circumstances I have the honor to request that Mr. Parker be exempted from the operation of article

R & Co. Sir met
maintain camp
equipage for these periods
vide P.W.D. C.O. 409.

1159 of the Civil Service Regulations in view to full daily allowance being passed to him for those days.

I have the honor to be,

Sir,

Your most obedient servant.
