to the Chief Engineer who after careful perusal of the papers considered that the clerk fully deserved dismissal, but in consideration of the clerk's long service (25 years), & of the fact that to make such absurd charges against his superiors his mind must have been temporarily unhinged, the Chief Engineer revoked the order of dismissal & directed that the clerk be reduced to the next lower grade & sent to another division to act as an Oversee's clerk. The man was to be considered as under suspension to the date of the receipt of the Chief Engineer's order in the Supt. Engineer's office.

as released from suspension, but the order reached the clerk on 16th July, & on the 19th idem he reported himself to the Lt. Engineer, Timewally Division. The Examiner has disallowed the man's pay from the 1st to the 18th July unless he is held, with the approval of Govt., to be on joining time during the period. The man can scarcely be considered ~~he was~~ considered to be on joining time for the period.

As the clerk was under suspension from 7.3.98 to 30.6.98, & the delay in the C.E.'s order reaching him was no fault of his, the payment of his salary @ Rs 15 per mensem from 1st to 18th July 98 may, as a special case, be sanctioned.

To

The Chief Engineer
P.W.D.

Sir,

Your Memorandum No. 2999 C
dated 29 June 1898, ordering the re-
duction of T. Subbasami Ramesh, to
Class V Class 1 grade, and considering
him as under suspension to the date of
receipt of the above order in the Super-
intending Engineer's office, was re-
ceived on the forenoon of 1st July 1898.
This order was communicated to the
Executive Engineer, Madurai Division,
with this office Endorsement No. 893 B
dated 3rd July 1898 and despatched
on the 5th idem, but the Executive
Engineer communicated the above
in his No. 769 S. of 15 July 1898 and
was

was received by the Clerk on 16th idem,
who reported himself to the Executive
Engineer, Tinnevely Div, for duty
on the 19th July where he was transferred
as Quartermaster's clerk.

2. The Examiner of P.W. accounts,
in his list of disallowances from the
Salary Bill of Tinnevely Division for
December 1898, stated that the pay
of the Clerk from 1st to 18th July 1898,
at Rs 15 - Rs 8 - 11 - 4, should be re-
-truncated unless he was held to be, with
approval of Government, on joining time
during this period. That officer was
informed in reply that the Clerk was
not on joining time during the period
in question, and his pay was disal-
-lowed accordingly.

3. As however there seems to have
been some delay in the receipt of the
order by the Clerk, I have the honor
to request that sanction of Govern-
-ment may be obtained to pass the
salary of the Clerk from 1st to 18th July 1898.

I have the honor to be
Sir,

Yours most obedient servant.
