The G.O. referred to by the S.E. was drafted by you. You can therefore explain why nothing was said in that order as to the S.E.'s proposal regarding the Supervisors for the charge of the River Conservancy Subdivisions, Godavari District!

In the proposition statement for Executive Establishment (Flag) submitted by the S.E. I Circle, application was

y for 3 additional upper
ates, and the entertainment of 3 temporary overseers was accordingly sanctioned in G. O. No: 1368 W d/30 May 1899.

As the proposition statement did not contain any provision for supervisors, it was assumed that the S. E. would make his own arrangements for posting supervisors to the charge of the two new subdivisions.

~~Para~~ In para 6 of the S. E's letter ~~dao~~ No: 1533 G. D. d/15 October 1898 ~~there~~ there is no specific application for supervisors. It is simply proposed in this para that each subdivision should be placed in charge of a supervisor, but nothing ~~is said~~ has been said as to whether the Chief Engineer should post the supervisors.

The original G. O. is sent herewith for reference.

To I for C.C.

In paras 5 and 6 of the first(1) of his letters printed with G. O. No. 1368 W. dated 30th May 1899, the Superintending Engineer, I Circle proposed for the working of the River Conservancy Act in the Godavari District, the following Executive Establishment : —

For the River Conservancy Subdivision, Godavari Western Dn. — 1 permanent Supervisor
1 temporary overseer

For the River Conservancy Subdivision, Godavari Central Dn. — 1 permanent Supervisor
1 temporary overseer

For the Rajahmundry Subdivision Godavari Eastern Dn. — 1 temporary overseer
