Stating in the circumstance
ated by the Supte. Engineer the
for the new Taluk Cutcherry at Mee
may be resumed and utilized for th
struction of the new office sanct
for the Tirutturaipundi taluk.

Note In view of the fact that the balance at the credit of the Provincial reserves is practically nil it does not seem desirable to transfer to the the Taluk offices at Tiruturaipundi (a new work) the allotment of Rs 10000 provided for the Nepalam Taluk offices.

My dear Smart

I think that Tiruthuraipundi or Nannilam are much more in want of a new cutcherry than Negapatam, and that if you can transfer the allotment the latter can wait. As to choice of Tiruturaipundi or Nannilam, perhaps circumstances exist which decide it. e-g estimates may be ready and sanctioned for one and not for the other. But if all else is equal it might be well to see which building is in most urgent need of renewal. Nannilam is the most important taluk, but I fancy, Tiruturaipundi is in the worst condition.

Yours sincerely

~~Pleas~~ It would be better to credit the Grant for the new T.C. at Negapatam to Provincial reserve but it is stated in G.O No 2714 M.i dated 24.7.99 that the amount may be transferred to the new T.C. at Tirutturaipundi. With these I presume he necessary to issue another order if it is decided to credit the amount to the reserve which seems very necessary

SIR,

Enclosures. / When recently at Negapatam Mr. Wickham the Executive Engineer brought to my notice that the new cutcherry sanctioned in G.O. No 2626 W. dated 11 October 1898 and for which a revised estimate was submitted with my No 280 W. dated 13 May 1899 is not required; the old building is a good one and only requires renewal of the roof which should not cost more than Rs 4,000. The building is connected with the St. Joseph's College which was purchased in 1886, vide G.O. No 1013 W. dated 19 April 1886 for Rs 30,000. I inspected the buildings with Mr. Wickham and agree with him and consider that it would be an absolute waste of money to build a new cutcherry. I addr-

2. Work has been stopped pending further orders. An indent for the wood work required has been made in the S.B.W. Shops, Madras, but the wood may be transferred either to Nannilam or Tirutturaipundi - to Tirutturaipundi for choice. I request early orders.
