ORDER. No. 2173 W of 15-8-99

In para 5 of G.O. No. 1864× W dated 25th July 1898, it was decided that the next six vacancies in the Accounts establishment should be reserved exclusively for the 6 Accounts clerks of the circles.

2. D. Lokayya, clerk, Godavari Western Division, and now Accountant, Engineer's Office, Madras Harbour Trust Board, prays, with reference to the above order, that his case may be treated specially and that Govt. be pleased to direct his appointment to the Subordinate Accounts establishment [illegible] for app

on the occurrence of the first permanent vacancy in preference to the Accounts clerks already nominated.

3. The late Examiner, P. W. Accounts, in forwarding the petition remarked that the case of this Accountant was a very hard one, and one which should carry with it a preferential title to the Subordinate accounts establishment on the occurrence of the next permanent vacancy.

4. The present Examiner adds his recommendation to that of his predecessor that Lokayya be placed on the Subordinate Accounts establishment as an Accountant 8th grade. He also reports that there is at present a vacancy in this grade and considers Lokayya eminently qualified for the post.

5. Although Govt. is convinced that D. Lokayya's case is one deserving of special [illegible] yet it is not

prepared to appoint him, as recommended by the Examiner, to the first permanent vacancy in preference to the 6 Accounts clerks referred to in para 1 above. It is, however, observed that of the 6 Accounts clerks, including one for the III Circle four have already been appointed or recommended by the Examiner. A report on the fifth, T. K. Narayanaswami Mudali, is awaited from the Supdg. Engr. VI Circle. There is no sixth accounts clerk yet: for although the Examiner reports that ~~he has nominated an~~ accounts clerk has been nominated for the III Circle, yet as no vacancy has ~~as~~ occurred in that Circle in the Rs 40 to 50 grade, the ~~nomination~~ man nominated cannot be considered as the accts. clerk of the III Circle. His Excellency the Governor in Council therefore directs that D. Lokayya's place for app

to the permanent accounts
stablishment be below
r above that of T. K.
Narayanaswami Mudaliar
according as the report on
the latter is favourable

FOR ORDERS

This petition from D. Lokayya Clerk, Godavari Western Division, & now Accountant, Harbour Trust Board Engineer's Office, was submitted to His Excellency linked with the petition# from T. K. Narayanaswami Mudaliar, Ex-Accounts Clerk of the VI Circle. It was recommended that D. Lokayya should be appointed as the Accounts Clerk of the VI Circle, but as Govt. has decided in G.O. No. 1673* W dated 28th June 1899 to rescind the orders directing the reversion of T. K. Narayanaswami Mudaliar to the clerical branch, it becomes necessary to resubmit D. Lokayya's petition & revise the recommendation made on his behalf.

P. W. 43.

In para 5 of G.O. No 1864 W dated 25th July 1898 (flag B) Govt. decided that the next six vacancies in the accounts branch must be reserved exclusively for the 6 Accounts clerks in the Circle.

3. D. Lokayya prays with reference to this decision, that his case may be treated specially, & that Govt. will be pleased to direct that he be appointed to the subordinate Accounts Establishment on the occurrence of the first permanent vacancy, in preference to the Accounts clerks already nominated.

4. The circumstances of the petitioner's case seem to be deserving of special consideration as will be seen from the history of his case given in para 5 of the petition. The man joined the service in 1885, passed the Entrance examination for the Subordinate Accounts Establishment in Septr. 1889, & has off & on acted as an Accountant. He was an Acting Accountant 4th

Grade

4th Grade (80-150) on the Villupuram Guntakal State Railway for over 26 months, & possesses good testimonials regarding his work as an Accountant.

5. The late Examiner considered that his case is a special one, & that in point of qualifications he ~~is~~ in every respect far excels the other men borne on the list of Accounts clerks. In his opinion Lokayya's case is a very hard one, & one which should carry with it a preferential title to appointment to the Subordinate Accounts Establishment, on the occurrence of the next permanent vacancy without prejudice to his present appointment in Foreign service

Date tak… out | Year | Initials of clerk taking the paper or … | Date returned. | Initials of attender.

As it was reported that there was no clerk in the III Circle eligible for the Accounts Clerkship of that circle, the Examiner was asked whether any appointment had been made. He replies that a nomination has been made & approved of by the Supdg. Engr., III Circle. This appointment is referred to in the linked file.

It is however to be noted that no vacancy in the 40 to 50 grade has recurred in the III Circle and that therefore the Examiners nominee has not yet joined his appointment. This man cannot ~~can~~ under these circumstances be considered an accounts clerk of the III Circle

7. The present Examiner adds his recommendation to that of his predecessor that Lokayya be placed on the Subordinate Accounts Establishment as an Accountant 8th grade, There is at present a permanent vacancy in the 8th grade of Accountants, for which the Examiner thinks he is eminently qualified and in his place permanent promotions would be admissible under Article 109, C.S. Regulations The Examiner States that Lokayya has had so much ~~no such~~ Experience as a divisional Accountant and his work & Conduct have been so good that he has special claims to an Accountant's place.

8. Of the Six Accounts Clerks, including one for the III Circle, ordered to be Appointed Accountants in G.O. No: 1864* of 25th July 1898, four have already been Appointed or recommended by the Examiner. A report on the fifth, T.K. Narainaswami Mudaliyar is awaited from the Superintending Engineer, VI Circle. If the report is favourable, he will be promoted to an Existing Vacancy. The requirements of G.O. No: 1864 of 25th July 98 will then have been Complied with, there being no Accounts

~~Clerk for the III Circle, and D Lokayya can be promoted to x ~~the next~~ ~~Vacancy~~ - an existing permanent vacancy in the 8th grade This appointment in no way interferes with the appointment of T. K Narrainswamy Mudlr. to a temporary accountants place if favourably reported on by the Supg Engr VI Circle~~

eminently qualified, & in his place permanent promotions would be admissible under Art. 109 C.S.R. The Examiner states that Lokayya has had so much experience as a divisional accountant & his work & conduct have been so good that he has special claims to an Accountant's place.

8 ~~To comply with ~~the~~ Lokayya's request & the Examiner's recommendation that the permanent vacancy in the 8th grade of Accounting be conferred on him would mean a reversal of the orders issued in ~~G.O.~~ para 5 of G.O. No. 1864 x dated 25.7.98 that the next~~

vacancies must be reserved exclusively for the 6 Account Clerks in the Circles. ~~apparently~~ According to the letter of the order all that can be done for Lokayya is to direct that he be appointed to the Accounts Establishment after the 6 Accounts clerks have ~~to~~ been provided for. It is however to be noted that the sixth accounts clerk of the III circle has never actually been appointed as no vacancy has occurred and the appointment of the Examiner's nominee ~~who~~ ~~has~~ as accountant is ~~a~~ ~~mere~~ practically equivalent to giving up the appointment of accounts clerks, all except T K Narayanaswami mudlr. (whose qualifications are doubtful) having been provided for. There will therefore in spirit be no reversal of ~~of~~ G O No 1864 d/25-7-98 if D. Lokkiah is appointed recommended by the Examiner of accountant, if

The requirements of G O No 1864 d/25-7-98 will then have been complied with, there being no accounts clerk for the III circle and D Lokkya can be promoted to the next vacancy.

Please ask E why D Lokayya cannot be appointed acct clerk of III circle. He will then be eligible for promotion to acct estabt. This being so [illegible] the Govt will reverse the orders of G O 1864 of 25-7-98

Submitted that the addition now made by you ~~to~~ this note for orders, viz, that "D. Lokayya can be promoted ~~to~~ an existing permanent vacancy in the 8th grade" is not in accordance with the orders in para 5 of G.O. 1864 W. dated 25th July 1898.

The ~~4~~ of the 6 accounts clerks ~~who~~ have already been appointed who are only Accountants, temporary rank, and the permanent vacancy referred to above should go to the senior of these 4, there will then be an Accountantship, temporary rank, vacant. Adding ~~to this~~ the temporary accountants place proposed to be given to the Examiner's nominee, there will be 2 places vacant. If T. K. Narayanaswami

Mudali should be favourably reported on, he should be made ~~Accountant~~ temporary rank, clearing a temporary Accountant's place for D. Lokayya. If the Supdg. Engineer's report should be unfavourable to T. K. Narayanaswami Mudali, his place will be available for D. Lokayya.

JN

But D Lokayya is at present on foreign service and he cannot be made a Temporary accountant. The only way to bring Lokayya in H.T. as an accountant is to bring him in permanent.

HC

Dw

But this would mean a reversal of the orders in para 5 of G.O. 1864 W dated 25th July 1898, which it is not likely that Govt. would sanction. Submitted therefore that it may suggested for the consideration of Govt. as a special case that D Lokayya may take his place for appointment ~~be appointed~~ to the permanent accounts establishment immediately below T. K. Narayanaswami Mudali, if ~~this~~ he should be considered fit; otherwise above him. If this suggestion

is

is approved 5 more permanent vacancies of Accountants should occur before Lokayya's turn can come.

The estimate of probable vacancies in a year is $\overset{\times}{4}$. So after one year Lokayya is likely to be made a permanent Accountant. Meanwhile he can continue as Accountant, Harbour Trust Board, and he will be financially better off for that.

W. proposes to recommend to Govt. that S. Lokiah be appointed Accounts Clerk of the III Circle, but C intimates that the appointment has already been filled up.

In another file C proposed to appoint the Accts Clerk of the III Circle to a temporary vacancy in the Accounts branch. C's nominee is a man from his own office who has ~~not~~ ~~yet~~ never taken up his place as Accts. Clerk of the III Circle & a reference has been made to C as to whether there was a vacancy a Rs 40-50 in the III Circle which enabled him to appoint an Accounts clerk that Circle. To W. Please see the two notes in the two accompanying files. You will see from the list submitted by C. that all the existing accounts clerks have been provided for except T K Narainswamy Mudr. the accounts clerk of the VI Circle. His qualifications are doubtful & Examiner has asked S.E. III to report on him —

I think the note for orders as now modified can go for approval of H.E.
