Sir,

With reference to rule VI para 28, Chap X, Vol I of the P.W. Code, I am directed to request the sanction of the Govt. of India to the reduction of the rent of the Sub Judge's Court at Tellicherry to Rs 50 per mensem.

2. The building in question has been vacated by the Judicial

Dept

owing to the abolition of the Sub Court Dept., and as no other Govt: dept. requires it, it was proposed to convert it into 6 chambers & rent it to Vakils. The rent that could have been obtained, if the proposal had been carried out, would have been Rs 39 per mensem. Subsequently, however, the Madras Railway Co. applied for the building to accommodate the office of the Ex: Engineer, Calicut-Cannanore Extension, & offered to hire it at Rs 50 per mensem which is the market value of similar accommodation in the locality. As this was a more profitable arrangement, the building has ~~accordingly~~ been rented to the Madras Railway from the 20th April 1899. It will be seen from the accompanying statement# that the normal rent of the building is Rs 94-8-0, but it is impossible to obtain this amount for it.

SIR,

With reference to your endorsement No. $\frac{23}{O}$ dated 11th ultimo on papers connected with the renting of the Sub-Court buildings at Tellicherry, herewith returned, I have the honor to inform you that I learn from the Engineer-in-chief, Calicut-Cannanore Extension, that the Sub-Court is situated within about a quarter of a mile from the Railway line between the Kaduwally bridge and the Tellicherry Station; it is also within a quarter of a mile of the only bungalow which was available for the Executive Engineer. Enquiries were previously made all over Tellicherry for a Bungalow and Office, and these two buildings seemed the only ones suitable. This being

being so, the only alternatives were, to build a temporary Office on the Railway land or to rent the Sub-Court. Mr. Usher, the Executive Engineer of the Public works, happened to be passing through Tellicherry and from him and Mr. Thompson, the District Judge, Mr. French (the Engineer-in-Chief) ascertained that the Sub-Court could be rented to the Railway. The assessed rental was about Rs 90/- per month, but it was thought that as the building was vacant and not likely to be required by Government, an offer of a rental of Rs 50/- would be accepted. The offer was made and accepted by Mr. Usher and the building has been in the occupation of the Railway staff since the 20th April 1899. It is hoped that the Government will allow the arrangement made between Mr. French and Mr. Usher to continue.-

Enclosures. 2

Sir,

I have the honor to inform you that the Subjudges Court at Tellichery has been vacated by the Judicial Department, and it is further reported that no other Department requires the building.

2. In August last the Executive Engineer submitted a proposal for making certain alterations at a cost of Rs 20, so as to convert the Court into six Chambers to be rented to vakils at the rate of 6-8-- per mensem for each chamber.

3. I accepted the proposal on

No. 804 of 1899

on the understanding that the building could be resumed by Government on giving one months notice.

4. The Executive Engineer now forwards a data statement from which it will be seen that under existing rules the proper rent to be charged for the entire building is Rs 94-8- but as there is no probability of realising this rent, I request that sanction may be obtained for letting out the chambers at Rs 6-8- each per mensem.
