which required your immediate attention. The G.O. was communicated to Administrative Officer of the Dept in view to each Gazetted officer of the Dept being supplied with a copy - There was no circular sent in the office house showing the distribution of officers in the Dept, and the information had to be obtained from the Secy's office. Care had to be taken that each officer copy was correctly addressed. The Despatch has to work single handed while the G.O. is at Gold, his assistant being fully employed in attending to the Gold despatches. The Despatch is much regular in his attendance often under one time, and has been obliged on account of his heavy work to attend office during his authorized holidays.
