Read—the following papers:—

From H. E. CLERK, Esq., Executive Engineer, Bellary Division, to the Superintending Engineer, III Circle, dated 13th January 1898, No. 323.

In continuation of my No. 9660 B., dated 29th November 1897, I have the honour to report that the removal of the Deputy Tahsildar's office at Bukkapatnam has rendered one court hall and two rooms (Clerks' room and record-room) vacant. Their dimensions are given below:—

Court hall	20 × 15
Two rooms	15 × 10 each.

2. I understand that the court hall and the clerks' room is now occupied by the Hospital and Union authorities since the 21st April 1897, with the permission of the Revenue Department. As already proposed, these rooms may, in my opinion, be made over to the Local Fund and Municipal departments for a nominal rent of Rs. 3 per mensem which the Penukonda taluk board have agreed to pay (*vide* their Proceedings dated 11th July 1896).

3. The other room and the one now occupied as Police station, I would propose, to be made over to the Sub-Registrar (*vide* also letter from the Inspector-General of Registration, No. 4454, dated 16th July 1896, to the Chief Secretary to Government). This will necessitate the Police Department occupying the room now used by the Sub-Registrar—an arrangement which I find was also approved of by the Inspector-General of Police in paragraph 2 of his No. 3104, dated 7th August 1896, to the Chief Secretary to Government.

4. The Superintendent of Police at Anantapur would appear, however, opposed to the proposal to remove the Police station to the room now occupied by the Sub-Registrar; I do not know what his reasons are, but would suggest that, before final orders are passed, the Inspector-General of Police may be again consulted.

5. I have had the building examined and I found that a small repair at a cost of about Rs. 145 will be necessary to make it answer all present requirements.

6. The file received with your No. 1983, dated 5th October 1896, is herewith returned.

No. 5558 W.

Copy submitted to the Chief Engineer, Public Works Department, with reference to G.O., No. 2745 W., dated 25th September 1896.

From H. A. STUART, Esq., I.C.S., Acting Inspector-General of Police, Madras, to the Chief Secretary to Government, dated 24th November 1898, No. 4438.

In returning the papers received with your endorsement, No. 281, Judicial, dated 3rd February 1898, relating to the utilization of the Deputy Tahsildar's office building at Bukkapatnam in the Anantapur district, I have the honour to submit a tracing sent to me by the Superintending Engineer, III Circle, showing the present and proposed arrangements in the building. No changes are proposed to be made in the rooms used by the Police, viz., room F as a Police station and rooms H and I as a Police lock-up. This accommodation is quite sufficient for the Police.

2. I regret the great delay that has taken place in the disposal of this matter. This is due to the fact that the Public Works Department had to consult the several departments affected by the arrangements proposed. The Executive Engineer's report* is enclosed.

Order—No. 2256 W., dated 25th August 1899.

The correspondence read above relates to the utilization of the portion of the building formerly occupied by the Deputy Tahsildar at Bukkapatnam in the Anantapur district. The removal of the Deputy Tahsildar's office to Penukonda rendered the court hall and two rooms in the building at Bukkapatnam vacant, and the re-allotment of the rooms to the various offices requiring them necessitated numerous references. The heads of the offices affected having now expressed their approval to the arrangement proposed by the Executive Engineer, Bellary division, the rooms in the building will be allotted as follows:—

(i) The Post office will continue in possession of the room marked E in the plan forwarded by the Superintending Engineer, and the Police will retain the room marked F as a Police station and rooms H and I as lock-ups.

(ii) Rooms A and B will be handed over to the Taluk Board, for use as a dispensary, on a monthly rent of Rs. 3.

(iii) The Union office will be shifted from room D to room G and a rent of Rs. 2 a month will be charged. As the Union office is stated to have occupied room D from about the 1st October 1895, rent at the rate above mentioned will be recovered from date of occupation.

(iv) The Sub-Registrar's office will be shifted from room G to rooms C and D, and the alterations suggested by the Registrar will be carried out.

(v) Room J will be vacant, and will be taken charge of by the Public Works Department if no other Government department requires it.

2. The Local Fund dispensary and the Union office will occupy the rooms allotted to them, on the condition that they must vacate on a month's notice if the rooms are at any time required by Government. Repairs to these rooms, when necessary, will be carried out by Government.

Allotment of the rooms in the Deputy Tahsildar's office at Bukkapatnam, Anantapur District, to the various offices requiring them.

~~ORDER.~~ Reference No. 130/10/2/99

The Deputy Tahsildar's office at Bukkapatnam having been transferred to Penukonda, the portion of the building occupied by it at the former place has now become vacant and the Government proposes to reallot the rooms in the building to the various offices requiring them.

2. The rooms marked A and B on the accompanying plan will be handed over to the Taluk Board for use as a dispensary on a monthly rent of Rs 3 as agreed to by the Board in its resolution of the 11th July 1896.

3. The Union office will be shifted from room D to room G and be charged a monthly rent of Rs 2. As this office is stated to have occupied room D from about the 1st October 1895, it is proposed to recover rent at the above rate from the

the date of occupation.

4. The occupation of the rooms will be subject to the condition that they should be vacated on a month's notice if at any time they are required by Government, which will undertake the repairs which may be required from time to time.

5. The President of the District Board is requested to report at an early date whether the Taluk Board and the Union Panchayat agree to the conditions stated in paragraphs 3 and 4 above.

Read, Endorsement of the President Taluk Board Penukonda No: 684 dated 17.4.99 on Memorandum No: 382 dated 5.4.99 Local and Municipal department of the Govt. of Madras ~ Calling for the opinion of the Punchayat on the reference contained in paras 3 & 4 of the Government Memorandum L & M department No 130 dated 10.2.99.

Resolution The Union Punchayat agree to the shifting of the Union office to room G. described in the plan received with the reference read above and to a payment of office rent of Rupees 2-0-0 per Month from the date of occupation of the same.

As regards the payment of rent for the premises at present occupied by the Union office the Punchayat is prepared to pay a rent of Rs 2-0-0 per Month since the last official year 98-99 as already promised in the chairman's letter No: 163 dated 3.

As regards payment of rent for the period previous thereto, the Punchayat have to state that they cannot agree to the payment of any such rent since the Union is already poor, and hardly self supporting.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 5th July 1895, Mis. No. 3340 :—

Read—the following letter from F. A. NICHOLSON, Esq., Collector of Anantapur, to the Secretary to the Commissioners of Land Revenue, dated 10th June 1895, Ref. on C. No. 2649 :—

I have the honour to lay the following matter before the Board.

2. The taluk of Penukonda comprises the division of a Deputy Tahsildar, whose head-quarters is at Bukkapatnam, a village only 16 miles from Penukonda, the taluk head-quarter station. I desire to lay before the Board the question whether it will not be better to abolish this officer as Deputy Tahsildar and to locate him at Penukonda as Stationary Sub-Magistrate, taking away from the Tahsildar his present magisterial powers, and making him a Revenue officer proper.

3. From a land revenue point of view I consider that the change will be very beneficial; instead of two persons—one, an itinerating Revenue officer with magisterial powers, and the other, a Magistrate with subordinate and not very important or not well-carried out revenue duties—we should have a Revenue officer unhampered by magisterial work and a Magistrate untramelled by itinerating revenue duties. For most revenue purposes the ryots have to come to Penukonda, and for most purposes the Tahsildar has to visit all villages, whether within the Deputy Tahsildar's division or outside of it; hence the transfer of all revenue duties to the Tahsildar cannot be prejudicial to revenue work. As a matter of fact, of the villages comprised in the Deputy Tahsildar's division, those on the south-west are within a radius of 15 miles from Penukonda, and of the remaining villages, those on the north-eastern corner alone are at all far removed from the Kasba station and these have the advantage of being near Madigubba station of the South Indian Railway, which is connected with the Penukonda station on the Southern Mahratta Railway by the junction of the two lines at Dharmavaram. If the north-eastern corner, which is hilly and sparsely populated, be excluded, Penukonda is really the centre of the taluk.

4. The next question is whether the magisterial work now allotted to each of the Sub-Magistrates of Penukonda and Bukkapatnam can be efficiently carried out by a single Magistrate to be stationed at Penukonda. The subjoined table shows the total

number of cases tried by the Tahsildar and Sheristadar Magistrates, Penukonda, and the Deputy Tahsildar-Magistrate, Bukkapatnam :—

Average ..		..	59	72	131	7	25	72	104	235
									Total ..	458

Leaving out the miscellaneous (Police Act, &c.) cases shown in column 8, which require very little time for their disposal, the Tahsildar had to try on an average only 80 cases, the Sheristadar-Magistrate 47 cases, and the Sub-Magistrate 163 a year. Even including the miscellaneous cases, the total average for the whole taluk comes to 458 cases inclusive of numerous petty Abkári, Forest and Police Act cases, which do not take on an average more than a few minutes each. This is far less than the number in the main divisions of Gooty and Tadpatri taluks, where the total number brought up for trial is 518 and 543, respectively. As the Stationary Sub-Magistrates for these taluks were appointed in 1894, after some months had elapsed, the cases in the main divisions of these taluks appear both against the Stationary Sub-Magistrates' courts and the courts of other Magistrates who exercised jurisdiction at the commencement of the year :—

Names of the Magistrates.	Total number of cases on the file in 1894.	Remarks.
Anantapur.		
Stationary Sub-Magistrate	315	The Court was working during the whole of the year.
Gooty.		
Stationary Sub-Magistrate	362	The Court was started from 1st March 1894.
Taluk Magistrate	118	
Sheristadar-Magistrate	3	
Sub-Registrar Magistrate	35	
Total ..	518

Stationary Sub-Magistrate	343	The Court was started from 5th June 1894.
Taluk Magistrate	80	
Sheristadar-Magistrate	120	
Total ..	543	

It is clear, then, that a single Sub-Magistrate stationed at Penukonda will, with only 458 cases per annum, have very light work indeed, just 1¼ cases per diem, of which 235, or about half, will be extremely petty cases, while many Penal Code cases will never come to trial. I have consulted the Superintendent of Police and he is of opinion that it will be advantageous to have a Stationary Magistrate at head-quarters, even though some of the Police cases will have to travel somewhat farther than at present.

5. By the removal of the Deputy Tahsildar's office to Penukonda, some magisterial cases will have to travel a little farther. But on the other hand a large number, and those of the more important character, will no longer have to wander over the taluk after the itinerating Taluk Magistrate and after the Deputy Tahsildar when on circuit, to the annoyance and cost of parties, the waste of Police time and men, and the danger of escaping prisoners.

6. It must be remarked here that a sub-treasury was opened in 1889 at Bukkapatnam with the sanction of Government conveyed in G.O., No. 7454, dated 13th December 1888, communicated in Board's Proceedings, dated 9th January 1889, No. 65, for the sole convenience of the local Forest, Postal and Registration departments to enable them to make remittances into, and receive payments of salaries, &c., from, the sub-treasury with a view to avoid the risk of dealing with a sub-treasury (Penukonda), 16 miles distant from the station. As pointed out in the Accountant-General's letter, No. 138-1-D., dated 22nd February 1886, embodied in Board's Proceedings, No. 598, dated 9th March 1886, the transactions of this sub-treasury are restricted to the receipts and disbursements relating to these departments, not even the kist collections being allowed to be remitted to it. The two marginally-noted statements show the total number and amount of such transactions relating to each department during the year from October 1893 to September 1894. The District Forest-officer is of course not in favour of the transfer of this office and states that its removal to Penukonda will result in much inconvenience to the Forest Department, as the transactions hitherto allowed at the Deputy Tahsildar's sub-treasury will have to be carried on with a distant treasury at Penukonda, and that the Forest cases too that may arise within the division will have to be taken to the same distance.

7. But I have to point out that, after all, the transactions are few and petty, that the distance from Penukonda is only 16 miles, which is far less than many forests and many villages from existing taluk treasuries in other taluks, and that the establishment of the sub-treasury at Bukkapatnam was but very recent and was due to the accident of there being already a Deputy Tahsildar's office at the place; the Deputy Tahsildar was not placed there for the convenience of the Forest and other departments, but being already there, a sub-treasury was opened for their pecuniary convenience. The small convenience caused to these departments by the sub-treasury and the small inconvenience caused by its removal are, to my mind, far outweighed by the greater convenience to the public in the disposal of magisterial cases and in the proper inspection and disposal of land revenue work, while taluk treasury transactions will be simplified by the abolition of this petty sub-treasury.

8. As regards the objection of the District Forest-officer about the trial of Forest cases, it may be observed from the statement given under paragraph 4 that the forest files of the Tahsildar Magistrate and the Deputy Tahsildar Magistrate are fairly equal and individually small, and that, as the prosecuting agency is the same, it would really be more advantageous and convenient to take the cases to a single non-itinerating Magistrate than to two different courts, both of which are, or should be, constantly on the move.

9. Under these circumstances, I have the honour to propose that the Deputy Tahsildar's office at Bukkapatnam may be transferred to Penukonda, making the

Deputy Tahsildar a Stationary Sub-Magistrate. This proposal will not only not entail any extra expenditure, but there will be an actual saving of Rs. 15 as shown below which may be utilized to improve the taluk staff :—

Present Deputy Tahsildar's establishment.		*Proposed Stationary Sub-Magistrate's establishment.*	
Designation of the Staff.	Pay.	Designation.	Pay.

2. Head Clerk	15	2. Head Clerk	20
3. Secoud Clerk	15	3. Second Clerk	15
4. Shroff	10		
Total ...	140	Total ...	135

To this saving of Rs. 5 must be added a further saving of Rs. 10, being the difference between the pay of a Taluk Sheristadar and the pay of a Taluk Head Accountant when the taluk is provided with a Stationary Sub-Magistrate ; hence a saving of Rupees 15. With this saving the taluk head gumastah's pay may be increased to Rs. 30 and another gumastah on Rs. 15 may be provided with Rs. 20, besides the second or cash gumastah on Rs. 20.

Resolution—dated 5th July 1895, Mis. No. 3340.

In the paper read above, the Collector of Anantapur proposes that the Deputy Tahsildar of Bukkapatnam, Penukonda taluk, should be abolished, the Deputy Tahsildar being transferred to Penukonda, the taluk head-quarters, as Stationary Sub-Magistrate and the Taluk Sheristadar being made a Taluk Head Accountant as is usual in such cases. The reasons given by Mr. Nicholson appear to the Board to justify the change, and the proposals will accordingly be submitted to Government with the following remarks.

2. Mr. Nicholson shows that the Stationary Sub-Magistrate will, in the event of the scheme being adopted, have only 458 cases on an average during the year to deal with, while the Tahsildar, being relieved entirely of magisterial work, will be free to move about his taluk. The only objection to these arrangements from an administrative point of view is the distance from Penukonda of the villages situated at the north-eastern corner of the taluk. Mr. Nicholson points out that these villages are sparsely populated, and that being near Maddigubba Railway station they have the advantage of railway communication with Penukonda *viâ* Dharmavaram junction. The villages to the south and west of Bukkapatnam are fairly near to Penukonda (within 16 miles in any case), and the difficulty on account of distance does not arise in regard to them. A survey map drawn to the scale of an inch to a mile accompanies the record.

3. The removal of the Deputy Tahsildar from Bukkapatnam will entail the closing of the sub-treasury at that station which is now maintained for the convenience of the Forest, Postal and Registration departments. The Postal and Registration departments can arrange to provide temporary custody for their money by means of iron safes, as is being done in similar cases elsewhere. There is at present no information in the Board's office about the forest receipts at Bukkapatnam, but the Board does not think that any serious inconvenience will be caused by the proposed change.

4. A saving of Rs. 20 will, as shown below, result from the changes proposed by the Collector :—

	RS.
Pay of shroff now attached to Deputy Tahsildar's Treasury	10
Difference between pay of Taluk Sheristadar and Taluk Head Accountant	10
Total ...	20

Out of this saving the Collector proposes to add Rs. 5 to the pay of the Head clerk of the Deputy Tahsildar (the future Stationary Sub-Magistrate) and to make it Rs. 20. This is a change which has been approved in many other cases, and it is therefore recommended for the sanction of Government.

5. Of the remaining Rs. 15 the Collector proposes to utilize Rs. 10 for improving the pay of the taluk head gumastah, making it Rs. 30 instead of Rs. 20, and Rs. 5 for raising another taluk gumastah's pay from Rs. 15 to Rs. 20.

6. The existing and proposed rates of pay of the Penukonda taluk establishment compare with each other and with those given in the Honourable Mr. Garstin's scheme as shown below :—

7. The Government has already approved of Mr. Nicholson's proposal to depart from the usual taluk scale in the case of the newly-constituted Kalyandrug taluk and the reasons adduced on that occasion may be cited also in support of the present proposals.

8. The masalchi of the Deputy Tahsildar's office will not be required after the transfer of the Deputy Tahsildar to the Taluk office, where there is already a masalchi as well as a sweeper. There will thus be an unappropriated saving of Rs. 5 under this head to which the Collector's attention will be drawn.

With reference to paragraph 8 of Board's Proceedings, Mis. No. 3340, dated the 5th current, I have the honour to state that the savings of Rs. 5 may be utilized in raising the pay of one of the two Rs. 20 gumastahs to Rs. 25, as Mr. Garstin's scheme allows a Rs. 25 hand for the Taluk offices.

Miscellaneous.

The proposal to transfer the Deputy Tahsildar of Bukkapatnam to Penukonda as Stationary Sub-Magistrate, and to utilize a portion of the savings consequent on the transfer in raising the pay of his clerk by Rs. 5, is approved.

2. Penukonda being, however, a light taluk, the Government is of opinion that it is unnecessary to raise the pay of any of the taluk gumastahs in that Tahsildar's office and, pending the general revision of taluk establishment, the saving now proposed might remain unappropriated. If, however, the Board considers that it might be utilized at once, this could be effected by improving the pay of gumastahs in some heavy taluk, perhaps in another district such as Tanjore.

3. The Board will be requested to report in what taluk the money available can best be spent and what it proposes to do with the building now occupied by the Deputy Tahsildar at Bukkapatnam.

Read the following Proceedings of the Board of Revenue, Land Revenue, No: 5731 Mis., d/ 16th November 1895, on the following letter from the Collector of Anantapur d/ 4th November 1895, Ref on C. No. 2649:—

In continuation of this Office letter Ref. on C. No. $\frac{2649}{7.10.95}$, I have the honour to state that the Deputy Tahsildar's Office is not a separate building, but is a building occupied jointly by the Deputy Tahsildar, the Police, Post Office and the Sub Registrar and that only such portion as is occupied by the Deputy Tahsildar will become available when the Deputy Tahsildar's Office is shifted to Penukonda.

2. The District Forest Officer proposes to utilize the portion occupied by the Deputy Tahsildar for the Ranger's Office, but it is under consideration whether the Ranger's Head Quarters should not be transferred to Penukonda. In Bukkapatnam according to the Notification under the new Village Courts Act I of 1889 (Madras), suits before the Village Munsiffs, should the parties so desire, have to be decided by a bench

bench of three Judges and the Village Munsiff on this account requires decent office accommodation as the village is rich and suits likely to be numerous. The Village Chavadi is almost in ruins. Hence the part occupied by the Deputy Tahsildar may be occupied as a Village Office and Court room ~~but~~ till it be decided whether the Forest Ranger should have it or not.

In continuation of this Office Ref. on C. No. 2649 dated 4" November 1895 and with referennce to Board's Proceedings No. 6131 dated 9" December 1895 (Mis., Land Revenue), I have the honor to report as follows in regard to the utilization of the building hitherto occupied by the Deputy Tahsildar at Bukkapatnam.

2. The Registrar of Bellary in his letter No. 2728 d/ 13" November 1895 requests that the court-hall of the building may be given over to the Sub- Registrar for his office, the jailward room now occupied by him being inadequate for his office purposes.

The District Medical and Sanitary Officer, Anantapur, also in his letter No. 1237 dated 15" November 1895 requests that aportion of the building may be given for the local dispensary, the presented rented house in which it is located being badly lighted and ventilated and quite unsuited for the purpose. With reference to the applications of the two officers referred to above, I would recommend that the Sub Registrar be given the record room (15 x 10) and the adjoining Police room of the same dimensions marked C & D in the plan herein enclosed. The dispensary may be located in the Court-hall (20 x 15) and the adjoining Clerks' room (15 x 10). (I presume the District Board will appraise and pay a proper rent) and I also propose that a door way may be opened between C & D for the greater convenience of the Sub Registrar and that the Police station may be shifted to the room occupied by the Sub Registrar. These proposals will have to be given effect to after a village chavadi has been built for the village office at Bukkapatnam. Till then the Court-hall will be required for the Bench Court as stated in para 2 of this Office letter referred to above.

With reference to Endorsement, No. 1213, dated 15th June 1896, from the Under Secretary to Government, J.D., on G.O. R. No. 989. Revenue, dated 11th May 1896, herewith returned, regarding the utilization of the building hitherto occupied by the Deputy Tahsildar of Bukkapatnam in the Anantapur District, I have the honor to report that the Superintendent of Police, Anantapur, protests strongly against the proposal to shift the Police station from the room in which it is at present located (marked D in the plan) for the following reasons:-

(1) The room now occupied as a Police station, being opposite to the Jail wards, commands a good view of the cells. This is necessary for the careful surveillance of the prisoners. The Police station will lose this commanding position if it is removed to the Jail ward used by the Sub-Registrar.

(2) The Jail-ward room, proposed to be used as a Police station, is ill-ventilated, with very little accommodation, and is quite unsuited for a Police station.

2. I presume however that, if the Deputy Tahsildar is removed, the sub-jail will be closed, in which case I think that the District Magistrate's proposals may be sanctioned and

and the Police given the Sub-Registrar's room as a station and two cells as lock-ups.

3. The plan received with the accompanying papers has been forwarded to the Inspector-General of Registration, as directed.

READ the following paper :—

Proceedings of Govt. in the Revenue Deptt. R. No.989 d/11th May 1896, referring for remarks B.P. forwarding to Govt. letter from the Collector of Anantapur submitting proposals for the utilization of the building hitherto occupied by the Dy. Tahsildar of Bukkapatnam.

From the President, Taluk Board, Penukonda, dated 28" July 1896, Dis. No. 423.

With reference to Govt. Memo. No. 614 d/1st June 1896 on G.O. No.989 dated 11th May 1896, Revenue, communicated to me by the District Board President, Anantapur, with his foot note No. 779 d/4th June 1896, for the remarks of the Board regarding the use of a portion of the late sub Magistrate's office at Bukkapatnam as a Local Fund Dispensary, I have the honour to submit herewith a copy of the Taluk Board's resolution No.7 d/11th July'96 passed on the subject.

2. The records are herewith returned.

Enclosure No. 2
To letter No. 4438 d/ 24-11-98
From Inspector-General of Police.

With reference to your No. 1098, dated 1st July 1898, I have the honour to forward a plan of the building showing the existing and proposed arrangements.

2. No new room has been constructed and no alterations have been made by the Local Fund Board as I was led to believe by the Superintendent of Police.

3. (1) L. F. Dispensary.

The President, Taluk Board, Penukonda wants room A. also to be given to the Dispensary for private examination. The valuation of rooms A and B. comes to about Rs 1,000- and this should give a monthly rent of Rs 6,- but the L. F. Board is prepared to pay Rs 3. per month and this may be accepted.

(2) Union office. The permission of this department does not appear to have been taken to locating this institution in the

from 1. 10. 95. I do not see any reason why rent should not be charged from the date of occupation. It is proposed to remove it to room "G" valued about Rs 450 and the union is prepared to pay Rs 2 per month while the normal rent is Rs 2. 12. 0. This may be accepted.

(3) Sub Registrar's office.

The present room "C" is incommodious. It is, therefore, proposed to move it to rooms C and D. The following alterations have been suggested by the District Registrar.

(a) The door ways x and z to be closed and iron barred windows substituted instead to make the room suitable for record room.

(b) The door way k also to be closed and iron barred window to be substituted.

(c) The present panelled door "y" to be replaced by stronger one.

These alterations will cost about Rs 150/- and may be effected.

(4)

---

(4) Police station.

The Police Superintendent urges that a Police station should command a direct view of the lockups and the Police should continue to have rooms H and I as lockups. The union office may therefore have room G.

4. Room J will be vacant and will be taken over by this department if no other Government Departments require it.

5 All the heads of offices affected by my proposal have been consulted and they have expressed their approval to the proposed arrangements. The Collector's approval has also been taken.

6. The L. F. dispensary and union office should of course occupy the respective portions of the building that may be allotted to them on the condition that they must vacate in favour of a Government department on a month's notice. Repairs, if any necessary, will be carried out by Government.

ANANTAPUR

In continuation of my No 9660 dated 29th November 1897, I have the honour to report that the removal of the Deputy Tahsildar's Office at Bukkapatnam has rendered one Court hall and two rooms (Clerk's room & record room) vacant. Their dimensions are given below:-

Court Hall 20 × 15

Two rooms 15 × 10 each

2. I understand that the Court hall and the Clerk's room is now occupied by the Hospital and Union authorities since the 21st April 1897 with the permission of the Rev

Department. As already proposed, these room

may in my opinion be made over to the Local

Fund and Municipal Departments for a

nominal rent of Rs 3 per mensem whic

the Penukonda Taluq Board have agree

to pay vide their Proceedings dated 11 July

3. The other room and the one now oc

-istration, No. 4454, dated 16th July 1896, to the Chief Secretary to Government. This will necessitate the Police Department occupying the room now used by the Sub-Registrar, an arrangement which I find, was also approved of by the Inspector Genl. of Police in para 2 of his No. 3104 dated 7th August 1896 to the Chief Secretary to Government.

4. The Superintendent of Police at Anantapur would appear however opposed to the proposal to remove the Police Station to the room now occupied by the Sub Registrar; I do not know what his reasons are but would suggest that before final orders are passed, the Inspector General of Police may be again consulted.

5. I have had the building examined and I found that a small repair at a cost of about Rs. 145 will be necessary to make it answer all present requirements.

6. The file received with your No. 1983 dated 5th October 1896 is herewith returned.
