To

As the pay of the mile peons employed on the Ootacamund-Kullar road is met from "Works", the cost of the warm clothing supplied to them should apparently go to the same head. Vide also G.O. No. 9 W dated 5th. January 1888.

2. The Executive Engineer Coimbatore Division was instructed to write back the debit from "Works" to "Establishment Contingencies" as it was supposed that the charge was incurred with reference to the sanction conveyed in G.O. No. 2340 W dated 8th. September 1898. As it is now clear that the supply was sanctioned for peons whose pay was charged to works, para 2 of G.O. No. 1977 W dated 28th. July 1899 will need modification.

Copy of letter from the Executive
Engineer, Coimbatore Division, No. 2957
dated 17th June 1899: —

In supersession of my letter No.
2674 of 3rd June 1899 bearing your Endorse-
ment No. 366 of 8th June 1899, I have the
honour to inform you that an outlay
of Rs. 60 was incurred by the Sub D.
officer, Nilgiris on account of Warm
Clothing supplied to mile peons em-
ployed on the Ooty - Kullar road, and
to request that you will kindly
obtain the sanction of Govt to the
incurrence of the charge, with a
view of removing the objection raised
by the Examiners.

The cost of the Warm Clothing
was originally charged to the work
on which the men were employed,
but it was subsequently written back
to Establishment Contingencies under
instructions from the Examiners in the
accounts for Feby '99, hence this late
application.
