PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Rev:
Land Revenue, No.345 B.Reference, dated 14th July 1899, on
letter from the Ag. Collector of South Arcot, Disposal No.33/
R of 99.
Eng, dated 28th June 1899.

Reference:-

Adverting to para 2 of Government Order No. 316 Rev: dated 29th March 1899 the Collector of South Arcot reports -- that when he remarked that the District Registrar's office -- would accomodate the Stationery Sub-Magistrate Admirably he had overlooked its deficiency in area as compared with a -- the building of a standard design and that all he meant was -- that it was by ^{far} ~~more~~ more suitable for the purpose mentioned -- than the ryot's shed attached to the Taluk Cutcherry in which the Sub-Magistrate's office was then located. Mr. Wynch has since learnt from the Inspector-General of Registration that if the scheme for the concentration of the records of the -- Sub-Registry offices in the District office comes into force the District Registrar will require further accomodation -- which it would not be possible to provide in the Collector's new Cutcherry. He accordingly withdraws his former recommend- tion and proposes to utilize for the Stationery Sub-Magis- trate and his establishment the three rooms intended for the District Registrar. This course, he adds, will also be the more convenient as the Magistrate's court will then be close to the subjail.

2. As regards the Sub'Registrar's office which was provided for in the original allocation of space but subsequently omitted Mr. Wynch states that the omission was intentional -

and that the Sub-Registrar and his clerks are now accommodated in the old barracks which are in good repair. The original proposal was -- given up at the instance of the District Registrar who desired to -- locate his own office in the space originally intended for the Sub-Registrar together with as much further space as could be allotted.

3. In the circumstances now stated the Board recommends that the -- Collector's present proposals may be accepted.

Order thereon No. 2946 Misc, dated 12th August 1899.

The Board's recommendation in para 3 of its Proceedings -- is accepted.
