From Lieutenant-Colonel E. G. BARROW, Deputy Secretary to the Government of India, Military Department, to the Chief Secretary to the Government of Madras, dated Simla, 8th August 1899, No. 1245 B. (Volunteers).

In continuation of Military Department letter No. 264 B., dated the 29th March 1899, I am directed to state that the Government of India have decided that, as quarters for Sergeant Instructors of volunteer corps are ordinarily provided by the Military Works Department, their cost should in future be excluded from applications for allotments from the annual grant of Rs. 30,000 for volunteer buildings.

2. I am accordingly to request that when the annual applications are submitted for grants for the construction of volunteer buildings in which Sergeant Instructors' quarters are included, the cost of the latter should be shown separately.

I am further to add that where Sergeant Instructors' quarters form part of the same structure as the armoury or other volunteer building, Military Works funds will contribute towards their construction only on condition that repairs to them like those of the rest of the building shall be carried out by the volunteers at the expense of corps funds; but where separate buildings for Sergeant Instructors are provided by the Military Works Department, these will be treated and maintained as military buildings.
