ORDER

28.1
 Note
 The Suptg. Engineer
 reports

that there are several projects waiting disposal in his office; that additional ones are expected shortly from the Kistna Northern Division, and that the draftsman to be entertained is required only for checking designs and estimates and for copying, and not for drawing up original designs from instructions and sketches. He therefore proposes to employ, in lieu of the draftsman on Rs 50 sanctioned in G.O. No. 1146 W dated 27th April 1899, two men, viz a draftsman on Rs 30 and a tracer on Rs 20. It is stated that the services of an efficient tracer have already been secured. As regards the draftsman, the Suptg. Engineer applied for the services of T. M. Doraiswamy Mudaliyar mentioned in G.O. No. 1190 W dated 3rd August 1899, being a supernumerary hand. But as the Suptg. Engineer's request could not be complied with, he was asked in ^{Memo No 3078 C d 8 July 1899} to submit for approval revised proposals for the necessary changes. He

No. 3

Superintending Engineer's Office, II Circle,

BEZWADA *Dated 26 June* 1899.

No. 329 W.

From

Captain W. M. Ellis & Co

SUPERINTENDING ENGINEER,

II CIRCLE,

To

THE

Chief Engineer
Public Works Department.

SIR,

Enclosures.

*Supposed to be
with C/ 1875 W of 99
sent to W on 26/6/99
* vide 1875 W of 99 **

In G.O. No 1146 W dated 27.4.99
sanction was accorded for an additional
Temporary Draftsman at Rs 50 for this circle office
for 6 months.

There are several projects awaiting disposal
in the office for which the designs and estimates
have been drawn up but which require
checking and copying and additional projects
are expected shortly from the Krishna Northern
Division.

The Draftsmen required for such work
are not men of higher attainments such as
are required for drawing original designs
from instructions and sketches and I therefore
proposed instead of employing one draftsman
at Rs 50 to employ 2 Draftsmen at equivalent
salaries viz. a tracer at Rs 20-0-0
A Draftsman at Rs 30-0-0

I have already obtained the services of an efficient
tracer on Rs 20.

2. With reference to G.O. No. 1190W of 3rd May
1899 I suggest that it might be economical
to appoint S. M. Dorasami Mudaliar to the post
of Draftsman if he is competent to take out
quantities from drawings, calculate quantities
and check estimates with accuracy and average
rapidity - unless he is capable of this he will be
useless.

The extra cost for the sanctioned extra esta-
blishment will be Rs 5 per month as this draftsman's
pay is Rs 35. but as he is supernumerary economy will
be served by his employment.

3. On receiving your orders a revised proposition
statement will be submitted for sanction and
if you approve request that the Draftsman
be despatched here in anticipation of formal sanction.

I have the honor to be

Sir,

Your most obedient servant,

[Signature]

Captain R. E.

Supdt. Engineer II Circle.

1. All proposals for changes in the scales of permanent
establishments must be accompanied by a statement in
Part I of this form when the changes relate to the engineer
or upper subordinate establishments and in other cases by a
statement in Part II of this form.

2. The column headed "present scale" should invariably
show the existing sanctioned scale (not the strength of the
establishment as it actually stands at the time), and should
be verified by the Examiner before the statements are
forwarded to the sanctioning authority.

Tabular Statement to accompany proposals
for changes in establishments.

Part II.

Statement of proposition for

* In the case of appointments on progressive pay, the "average" should be

Certified that the entries under the head "present scale" have been duly verified by me,

A. Comtey.
