Letter No. 2598 E dated 10th August 1899 from A. J. Mackenzie Esq., Executive Engineer Vizagapatam Division to the Superintending Engineer, 1st Circle.

In February and March 1898 Supervisor Palakonda section filed three prosecutions in the Court of the Stationary 2nd class magistrate at Palakonda, of course with the previous sanction of the Executive Engineer. An abstract together with judgments, showing the nature of offences, names of the accused and the punishment inflicted is herein enclosed for your perusal.

2

To conduct these prosecutions, in all of which he was successful, the Supervisor applied to the Executive Engineer to sanction the employment of a vakil on behalf of Govt and in anticipation of Government sanction, employed one Mr. B. V. Subbarao and paid him Rs 25 for which a receipt is herein enclosed

3. The Supervisor should have waited for Government sanction. As however he has done it with a pure motive in the interests of Her Majesty's services, I request that you will please recommend to Govt. to sanction the vakils fees in question.
