Copy of Communication Re: No:
1216 of 13. 7. 90 from the President, Tokyo
Board, Daidait, to the Executive
Engineer, Madras Div: -

I have the honor to inform you that the Duquoin Tally Board has resolved to construct a new office & that it is proposed to construct the building in a portion of the Corn. pound of the Pub. Collection office and hangar. I request to be informed whether you have any objection to the building located in the Corn. pound. There is sufficient space for the same and I have personally no objection to raise.

No. 230 S.F. of 19. 7. 98.

Forwarded to the Pipe Engineer
at Keirah, for favour of order. The Pipe
Collector's office and hangar and
the ground within the compound
walls referred to are Govt. property.

2. Mr. Moore states that he has

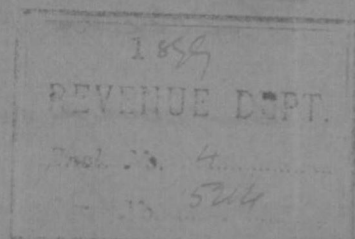

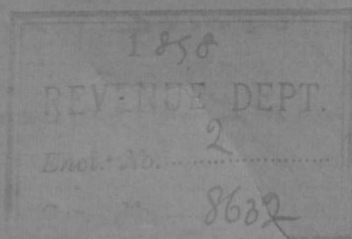

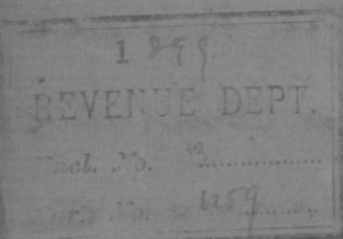

no objection to raise & I see none.
