LETTER—from

To

THE JOINT SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to request the sanction of the Government of India, in the circumstances specified below, to the grant of local allowances to the peons of the Public Works Department stationed in the Nilgiris, the Wynaad and at Kodaikánal.

2. In the letters of the Government of India noted in the margin, the peons in the Wynaad and at Kodaikánal were granted local allowances of Rs. 3 and 2, respectively. As will be seen from the representations made to the Government of India on their behalf at the time, these men are in receipt of pay of only Rs. 6 per mensem. In consideration of a deterioration in the stamp of Public Works Department peons in general and with a view to attract a better class of men for these appointments, this Government has recently sanctioned * increased rates of pay, the minimum for a peon being fixed at Rs. 7 per mensem. I am to say that this Government is precluded from ordering the extension of these rates of pay to the localities under notice, as the local allowances drawn by the peons in those places have been sanctioned by the Government of India on the understanding that their pay was Rs. 6 per mensem. These men being liable to transfer to the plains and *vice versâ*, it would be inconvenient to have differing rates of pay at these localities and on the plains for appointments of the same class. It would also be inequitable, I am to say, to leave out of account the men serving in exceptionally unhealthy and costly localities, when a general increase of pay to the peons in the plains is being sanctioned. I am accordingly to request that, with the introduction, in the Wynaad and at Kodaikánal, of the rates of pay sanctioned for a sub-division in G.O., No. 2261 W., dated 1st September 1898, the grant, as local allowance, of a moiety of pay for peons in the Wynaad, and of Rs. 2 for those at Kodaikánal, may also be sanctioned. The rate recommended for Wynaad corresponds to what the peons of the Tahsildar at the locality draw as local allowances; that for Kodaikánal is the amount similarly drawn by the Deputy Tahsildar's peons at the station.

" " 2368 W., " 8th " 1899.

3. As regards the Nilgiris, the peons there draw a higher rate of pay than that obtaining in the plains. In view of the considerations adverted to in paragraph 2 above, it is considered more suitable to introduce the scale of pay for a sub-division laid down in the Proceedings of this Government quoted in paragraph 2 above, and to grant the men local allowances to compensate them for the costliness of the locality. I am accordingly to recommend the grant to these peons, as local allowance, of a moiety of their pay. This rate, I am to add, corresponds to that drawn by the peons of the Head Assistant Collector's and Deputy Tahsildar's offices at Gúdalúr in the Nilgiris.

I have the honour to be,

Sir,

Your most obedient servant,

Secretary to Government.

Order—No. 2368 W., dated 8th September 1899.

A revised scale of pay, with Rs. 7 as minimum, was sanctioned in G.O., No. 2261 W., dated 1st September 1898, for peons in the offices of the Public Works Department. In the letters recorded above, the cases of peons in some of the offices of the department, left unprovided for in that order, are brought to notice and certain questions as to the interpretation of that Government order are also raised.

2. After a careful consideration of the representations made in the case of peons, His Excellency the Governor in Council is pleased to sanction the increases of pay shown in the statement subjoined :—

The increased rates of pay will have effect from 1st August 1898.

3. As regards the peons in the Nilgiris, the Wynaad and Kodaikánal, the Government is of opinion that their rates of pay should be assimilated to those obtaining in the plains and that they should be granted local allowances, of a moiety of their pay, in the case of the two former localities, and Rs. 2 per mensem at Kodaikánal. The Government of India will be addressed for the necessary sanction.

4. In his office-note No. 248 A./E., dated 27th February 1899, the Examiner states that no provision is made in G.O., No. 2261 W., dated 1st September 1898, for the grant of the increased rates of pay to the peons of Assistant Engineers (detached officers) not in charge of sub-divisions. He will be informed that as Assistant Engineers on detached duty are allowed a peon like Upper Subordinates, the provision made in the Government order for the peons of the latter applies also to those of the former. With reference to the nomenclature of "peon" adverted to by the same officer in the office-note quoted above, he will be informed that the term "peon" is now always used to denote men attached to office establishments and to Upper Subordinates, and that the term "lascar" is only applied to men employed on survey and conservancy duties.

5. The final question for decision is whether G.O., No. 2261 W., dated 1st September 1898, applies to "temporary" peons as well. In G.O., No. 2544 W., dated 3rd October 1898, the Superintending Engineer on special duty was informed that the Government order was not applicable to members of temporary establishments in view of the fact that their remuneration is fixed according to requirements. It is, however, now pointed out that temporary men perform the same kind of work as permanent men and that the question of inadequate pay applies equally to them. The Government recognises the soundness of this view and directs that the increased rates of pay sanctioned in G.O., No. 2261 W., dated 1st September 1898, be made applicable to temporary men also, provided they are "peons" in the sense defined in paragraph 4 of these Proceedings.

6. The sanction accorded in paragraph 2 of these Proceedings has been registered as Provincial No. 49 W. of 1899–1900 and classified as Establishment—Permanent.

the Tank Restoration parties and the P.W. Stores and Workshops, should have effect from 1st August 1899. In the case of the Offices of the Vigiarajagram Subdivision, the Kowlaishwaram Workshops and the Kurnool Division the increased rates will have effect from 1st August 1898.

3. As regards the peons in the Nilgiris, the Wynaad and Kodaikanal, the Government is of opinion that they should be assimilated to those in the plains and that they should be granted local allowances equivalent, in each case, to a grant of pay, in the case of the two former localities, and Rs. 2 per mensem for peons stationed at Kodaikanal. The Govt of India will be addressed for the necessary sanction.

4. In his office Note No 248 1/2 dated 27. 2. 99, the Examiner states that no provision is made in Ex. 2261 for the grant of the increased rates of pay to the peons of Assistant

(iners (detached offices)
t in charge of subdivisions.
e will be informed that
, assistant Engineers on
etached duty are allowed

e provision made in the

also to those of the former. With
eference to the nomenclature

same Office in the Office
ote quoted above, he will
be informed that the
erm "peon" is now always
sed to denote men attached

ther Subordinates and that
he term "Lascar" is only ap-
lied to men employed on
urvey and Conservancy
duties.

5. The final question for
decision is whether G.O.
2261 W dy 1.9.98 applies to
"Temporary" peons as well.
In G.O. 2544 W dy 3.10.98,
the Supdg. Engineer, on Special
Duty, was informed that
the G.O. was not applicable
to members of temporary
establishments in view of the
fact that their remuneration

is fixed according to t
quirements. It is now
now pointed that tem
men perform the same k
of work as permanen
men and that the Sele
selection & inadequa

them. The Government
recognizes the soundness
of this view and directs
that the increased rates
of pay sanctioned in G.O.
2261 W dy 1.9.98 be made
applicable to temporary
men also, provided they are
"peons" in the sense de-
fined in para 4 of these

The net increase of this revision will be only Rs 4 per mensem, or Rs 48 per annum. It is submitted that the revised scale may be sanctioned.

(2) Tank Restoration Scheme Parties.

In G.O. No 2155 Ir dt [#] 29.8.95 the scale of peons for each party of the T.R. Scheme is fixed at 6 peons [⊗] on Rs 6 each per mensem. As the T.R. scheme peons are [※] permanent, and as it is stated that it has been found quite impossible on several occasions to get men who have passed the Primary Examination to accept the present pay offered to the Chief Engr. for Irrigation, T.R. Scheme, proposes to adopt the scale sanctioned for a sub-division office, & to have 1 peon on Rs 8 & 5 on Rs 7 in place of 6 on Rs 6 as heretofore. The increased cost will be Rs 7 per mensem for each party or Rs 84 per annum. The total cost for all 5 parties will be Rs 420 per annum. This revised scale may be sanctioned to bring the scale of pay for peons in T.R. & parties in harmony with [that of] other P.W. offices.

(3) The Public Works Stores & [#] workshops have also been inadvertently omitted from G.O. No 2261 Ir dt 1.9.98. flagged 2.

If this is sanctioned the increased cost will be Rs 15 per mensem or Rs 180 per annum.

The Examiner asks for orders whether these rates of pay are to be revised with ~~reference~~ effect from 1st August 98. As Rs 7 is

examiner's question must be

H.E.'s final orders in the question "the proposed increase of pay may be allowed" I take it that by "the proposed increase of pay" H.E. means the increase of pay proposed in the P.W.D note, as modified by the Financial Dept in respect of peons in the Nilgiri Sub Division and in Wynaad and Kodaikanal; for at the end of the F.D note, H.E. remarks that "the proposed grants may be allowed" By "proposed grants", H.E. evidently means the grants recommended in the F.D note.

the men be transferred elsewhere when they will cease to draw the local allowances. It will therefore be the best plan to give them the new rate of pay & to reduce their local allowances as suggested by the Examiner. They cannot be given the local allowances in full with the increased pay of Rs 7 as this will require the sanction of the Govt. of India, the local allowances having been passed on the understanding that the pay of the peons was only Rs 6 per mensem.

5. In his office Note No 248 A/E dt 27.2.99, the Examiner states that G.O. No 2261 W dt 1.9.98 makes no provision for Asst. Engineers (detached officers) not in charge of Sub Divisions, &

as these Officers are entitled

intention of Govt: to withhold
the privilege from the Lascars
employed under these Officers.
He may be informed that
Asst. Engineers on detached
duty are allowed a peon
like Upper Subordinates, the
provision made in the G.O.
for the latter applies also to
the former.

5. The Examiner also points
out, in the Office Note quoted
above, that the nomenclature
used originally was 'Lascars'
then changeable to Petty
Establishment & 'messengers'
then changeable to Office
Establishment; but in the
G.O. unde consideration, the

be informed in reply that
the term "peon" is now
always used for men attached
to Office Establishment &
Upper Subordinates, & that
"Lascar" is only applied to
men employed on Survey
& Conservancy duties.

7. The final question for
consideration is whether G.O.

applies to 'Temporary' as well
as 'Permanent' peons. In

Note for His Excellency the Governor

With reference to His Excellency's rescript, dated 30th April, 1899, on the Note for orders of the 19th idem, it is submitted that the minimum pay for peons in the P.W.D. is Rs 7 per mensem whereas there are peons in civil departments whose pay is less than Rs 2: The question now under consideration is not to sanction any revised scale, but to extend the general increase of pay sanctioned in G.O No 2261W, dated 1st September, 1898, to certain offices which were inadvertently omitted. The question of increase of pay was fully considered in the Proceedings quoted. On the first note for orders on the subject flagged C, His Excellency remarked that a comparison should be made in the Revenue Deptt between the proposed rates of pay for peons in the P.W.D and the rates actually paid in Revenue Offices. A statement was prepared and submitted to His Excellency. It was recommended that Rs 7 should be the minimum pay for peons in the P.W.D, because their work was much harder, involving constant travelling and measurement work. The question was then referred to the Hon: Sir Henry Bliss who recorded that the pay of the peons might to be raised. His Excellency thereupon asked

ed the Chief Secretary to draw up a schedule
ing what he would consider fair and
haring the work and pay with those in
milar ranks in the Revenue Department.
P.W. Scale was reviewed in detail by the
nancial Department and the Chief Secretary
e of opinion that the proposed rates of pay
re fair.

Note. P.W.D. C.S.

As stated in the note of the P.W.D. below dated the 4th ultimo, the present proposals do not involve the sanctioning of any new scale of pay to the peons of the Public Works Department, but merely an extension of the general increase of pay introduced by the revised scale sanctioned in G.O. No.2261 W, d/ 1st Septr. '98, to certain offices which were then omitted. The revised scale was accepted and sanctioned after much discussion and there appears no objection to its extension to offices of the same department which ~~is to have been~~ were inadvertently left out of account at the time.

2. The present and proposed scales of pay of peons of the offices dealt with in paragraph 3 (1) to (7) of the P.W.D. Note d/ 19-4-99 are shown below:-

3. The scale proposed for the office of the Chief Engineer for Irrigation corresponds with that sanctioned for the office of a Superintending Engineer, and as the former contends it appears only reasonable that the pay of the peons of his office should be at least as good as that of the Superintending Engineer's Office.

C.No.8412 A

Page 2 I D

4. In para 3(2) of the earlier note below it is stated that in G.O. No.2155 W,d/ 29-8-95 the scale of peons for each party of the Tank Restoration Scheme is fixed at 6 peons on R.6 each per mensem, and it is proposed to adopt the scale sanction for a sub-division office and to have one peon on R.8 and 5 on R.7. The order of 1895 referred to however includes a peon on R.7 so that the proposed scale should be one on R.8 and 6 on R.7 as shown in the statement above.

5. It is proposed that the scale of pay for peons in the P.W. Stores and Workshops divisions should follow that sanctioned for ordinary divisional offices, viz. that the two senior men in each division should be allowed R.9 and R.8 per mensem respectively and the rest R.7 each per mensem. If this were sanctioned, the increased cost would be R.18 per mensem or R.216 per annum and not R.15 and R.180 respectively as stated in paragraph 3(3) of the earlier note below.

Page 4 I

6. There appears to be no objection to the extra peon in the Vizianagram Sub Division referred to in para 3(4) of the same note being placed on R.7 as well.

Page 4 I

There

7. There are at present eleven peons in the Dowlaishweram Workshops, 1 on R.9 and 10 on R.6 each. The Examiner enquires whether these rates of pay are to be revised with effect from 1st Aug. 1898, the date on which the new scale was introduced. It appears to be assumed in para 3(5) of the earlier note below that by raising the pay of the ten peons on R.6 to R.7 each, the new scale would be made applicable to this establishment. It will be observed that in cases in which R.9 is fixed as the pay of a Senior peon in the revised scale sanctioned in G.O.No.2261 W,d/1-9-98, R.8 is entered as the next pay in such scales. A scale something like the following would, it is submitted, be more in accordance with that sanctioned in September last:-

1 Peon on R.9
1 ,, ,, 8
9 ,, ,, 7

This would raise the cost by only Rs 12 per annum.

8. The present scale shown in the statement above in the case of the Kurnool Divisional office is that sanctioned in G.O.No.2261 W, d/ 1st Septr. 1898, plus the additional peon on R.6 referred to in para 3(6) of the earlier note below. There appears to be no objection to the pay of the additional peon being admitted at R.7 as proposed.

9. In the Nilgiri Sub Division it is proposed to continue the existing rates of pay, viz. 1 peon on R.9 and 3 on R.8 per mensem. The scale sanctioned for a sub-division office in G.O.No.2261 W,d/ 1-9-98, is 1 on R.8 and 3 on R.7 each. It would be more in consonance with the principle

principle laid down in G.O.No.276 Rev., d/ 28-4-97 that the grant of a local allowance is the proper mode of compensating officers appointed to exceptionally unhealthy or costly localities, and which was prescribed for universal adoption, if the scale of pay of the peons of the Nilgiri Sub-division were made uniform with the scale laid down for a sub-division office and the difference (Re.1 in each case) were granted as a local allowance. It would be a matter for consideration, however, whether the local allowance in that case should not be raised. If a general increase of pay of the peons of the P.W.D. in the plains is considered necessary, it appears equitable that a corresponding increase should be granted to the peons serving in exceptionally unhealthy or costly localities. Otherwise there would be hardly any difference of treatment for service under different conditions which is the recognised principle. From the statement recorded in G.O.No.276 Rev.d/ 28-4-97, it is observed that the peons of the Assistant Collectors Office [illegible] of the Deputy Tahsildar's office at Gudalur draw a moiety of pay as local allowance. The grant of a moiety of pay as a local allowance may also, it is submitted, be fairly sanctioned in the case of the peons attached to the Nilgiri Sub Division Office.

10. With reference to the local allowances of R.3 and 2 sanctioned by the Govt. of India for peons on R.6 per mensem stationed at Wynaad and Kodaikanal respectively, and dealt with in para 4 of the earlier note below, it is suggested that the best plan would be to give them the new rates of pay and to reduce their local allowances, since they cannot be given the local allowances in full with the increased pay of R.7 as this would require the sanction of the Govt. of India, the local allowances having been passed on the understanding that the pay of the peons was only R.6 per mensem. In accordance with the principles advocated in the preceding paragraph it is submitted however that the local allowances should not be reduced; that peons serving in these two localities should be brought on the new scale of pay, and that local allowances of a moiety of pay as in the case of the peons of the Tahsildar at Wynaad and of R.2 each as in the case of the peons of the Dy.Tahsildars at Kodaikanal, should be granted to the peons of the P.W.D. in these two notoriously unhealthy and costly localities, irrespective of the pay drawn by each. If necessary, the sanction of the Govt. of India should be obtained in the P.W.D. to preserve consistency of treatment.

11. There appears to be no objection to the answer proposed to be given to the Examiner in para 5 of the earlier note below in regard to peons attached to Assistant Engineers (detached officers) not in charge of Sub Divisions. Nor does there appear to be any objection to the interpretation suggested in para 6 as to the designation of these petty officials.

12. For the reasons advanced in para 7 of the same note there appears no objection to the scale sanctioned in G.O.No.2261 W, d/ 1-9-98, being applied to temporary men as well.

I do not see any reason why the proposal proposed in this note No. 5 should not be sanctioned in increase of pay in other Depts.

The proposed grants may be sanctioned.

No. 2261 W dt. 1st Sept. 1898 was to deal with question of the pay of peons in the P.W.D generally and ~~to the~~ that one of the points decided on is that no peon should draw less than Rs 7 per mensem. The Pres of the G. Secy and Chief Engineer for Irrigation has however been left out of

P.W.E. 5669/98 8a

consideration although the Examiners office has been included :- As matters now stand a Supt. Engr. has eight peons which cost Rs 64 per mens. and the Chief Engr. for Irrigation has nine peons which only cost Rs 67 - one being one man who gets Rs 6 - It seems only reasonable that the pay of the peons of this office should be as good as that of our Supt. Engrs. offices - A proposition statement is forwarded herewith for revising the scale in this manner - The proposed cost is Rs 7 more than the amount sanctioned for each of the Supt. Engrs. offices, to cover upreasonling the pay of the extra peon employed -

Sir,

With reference to G.O.
N° 2544 W dated 3rd October 1898
I have the honour to submit
a proposition statement
revising the Scale of pay
of the peons of my Special
office and ask Sanction to
it.

In this connection, I
wish to point out that the
peons under me have to do
the Same Kind of work as
peons

peons in the circle and I am
of opinion that their pay
should be raised on the
scale I now propose. There
is no question that the
general dearness of living
presses hardly on these men
and they deserve consideration.

of the Superintending Engineer on Special duty,
Copy of G. O. Revenue Department No 443 dated 12th
August 1898, abandoning the proposal regarding
the preparation of a record of Irrigation rights
in the Tanjore Delta, and dispensing with the
establishment entertained for the purpose, please
favour me with Special orders of Government as
to which of the members of the temporary establish-
-ment Sanctioned in G. O No 643 W dated 10th March 1898
during 1898-99 are to be dispensed with, and the
date from which the order will have effect.

2. In the statement of the Special
Superintending Engineer printed on page 7 of the
Revenue G. O. one Sub-divisional Officer on Rs 400
and a Supervisor on Rs 150 are also provided for,
and orders regarding their transfer will also be
necessary.

In continuation of my O.N.No. × 1272 A/E dated the 28th Ultimo, I would request the favour of orders of Govern-ment as to

(i) whether the Local Allowances of Rs 2/- & 3/- sanctioned in the orders of the Government of India quoted in the margin, for peons on Rs 6/- per mensem stationed at Kodikanal and Wynaad respectively are affected by the increased pay recently sanctioned to peons in G.O.No.2261 W dated 1st Septr: 1898 and

(ii). if so, how- i.e. whether the Local Allowance should cease entirely or whether it should be reduced in each case by the amount by which the pay or salary of the peon concerned is increased, and discontinued as soon as his pay or salary is increased by an amount equal to the local allowance.

2. The claim to the Local Allowance of

of Rs 2/- preferred in the salary bill of the Consulting Architect Division - for August 1898 on behalf of a peon stationed at Kodikanal has been disallowed as his pay was increased from Rs 6/- to Rs 7/- from Ist August 1898, and pending fresh sanction of Government to its -- continuance in whole or in part .

3. On the other hand, in the salary bill of the West Coast Division for September 1898 the local allowance of Rs 3/- having ~~ing~~ been claimed in addition to pay at Rs 6/- per mensem only, on behalf of a - peon stationed at Wynaad, it has been ad--mitted as no change has been made in his rate of pay.

4. In the event of Government considering that the local allowance in both the above cases should be passed in full without reference to the increased pay allowed under G.O.No.2261 W dated Ist September 1898 it will be necessary to obtain the approval of the Government of India, as the grant of the local allowances was - based on the fact that the pay of the peons was Rs 3/- per mensem only.

I have the honor to state that with reference to Go No 1822 W dated 19th July 1898 local allowance Rs 1-9-10, from 1 to 25 August 98 at Rs 2 per mensem for peon Nallamai stationed at Kodaikanal was claimed in the Salary bill for August 98, but it was disallowed by the Examiner P.W Accounts in the Salary bill for September 98. on the ground that the allowance should be cease from the date the peon was promoted to Rs 7 per mensem, as per Go No 2261 W dated 1st September 98. As the peon was actually on duty at Kodaikanal during the period, I request you will be so good as to obtain sanction of Government for the allowance in question being passed by the Examiner.

In G.O. etc No. 2155-W 29-8-98 the scale of pay for each party of T.R. Scheme is fixed at 6 peons on Rs. 6 permanent.

In G.O. etc No. 2261-W 1-9-98 a revised scale of pay for D.P.W. peons is sanctioned in which Rupees 7 is fixed as the lowest rate.

etc T.R. Scheme peons are permanent, & as it has been found quite impossible on several occasions to get men who have passed the

the Primary examination
to accept the present pay
offered, it is proposed to
adopt the scale sanctioned
for a sub division office and
have one peon on Rs 8 4/5 on
Rs 7 in place of 6 on Rs 6 as
heretofore.

The increased cost to
Government is small being
Rs 7 for each party peon
mensem or Rs 84 per annum.
The total cost for all 5 parties
being Rs 420 per annum.

It is apparently only by
oversight that the P.W. Scheme
peons are not provided for
in G.O. etc 226 W 1-9-98.

I have the honour to inform you that on the receipt of Gt. No 2261 W. dated 1st September 98 sanctioning a revised scale of pay for Peons in the P. W. D, the temporary peons of this Division were given the higher rate of pay from the 1st august 1898. The Examiner, P. W. Accounts, Madras has disallowed the increase remarking that the concessions granted in the Gt. quoted above were not intended to be applicable to temporary men also. A perusal of the Gt. will go to shew that there is nothing stated as regards to its intention of not being applicable to temporary men and from its wording it would seem to me that that intention is particularly avoided - the Gt. merely sanctioning a revised scale of pay for all peons in the department whether permanent or temporary. I have the honour therefore to request that you will be good enough to address Government regarding the intention of the Gt. and obtain a decided ruling.

I have the honour to state that the Examiner, P. W. Accounts, Madras, has, in his disallowance list on the salary bill of this Division for October 1898, disallowed the increased rate of salary claimed on behalf of 2 temporary peons attached to two overseers in this Division - the reason being that the concession granted in G.O. No. 2261 W. dated 1st September 1898 has not been extended to temporary peons. These temporary peons are appointed with reference to orders of Government contained in G.O. No. 3707 W. dated 23rd November ~~1898~~ 1888, and their duties are the same as those attached to permanent overseers. I therefore request that you will be good enough to address the Government on the subject.

Sir,

Enclosures.

I have the honour to state that in accordance with the sanction given in G. O. No. 2261 W dated 1st September 1898, all peons in this Circle have been paid at the increased rate from 1st August 1898 but the Examiner P. W. Accounts has disallowed the increased rate to all the temporary peons with reference to G. O. No. 2544 W dated 3rd October 1898 which has not been communicated to my Office.

with Cir. No. 9386 Lett. to S & W 21/12/98

2. There is nothing in G. O. No. 2261 W dated 1st September 1898 to show that the increased rate of pay should be paid only to the permanent peons.

3. It is not understood why there should be

be a distinction between a permanent and temporary peons, for the temporary man does the same work as a permanent one, and in this Circle there are a large number of temporary peons.

4. As some of the temporary peons have left it is difficult to recover the amounts paid to them already. I therefore request that you will be good enough to pass early orders as regards the pay of the temporary peons and authorize the Examiner, P. W. Accounts to admit the increased salaries already paid to them.

SIR,

ENCLOSURES.

The increased rate of pay sanctioned in G.O. No: 2261 W dt/1st September 1898, was given to all the persons employed in this circle, but the Examiner of P.W. Accounts has, in the list of disallowances from the Salary bill of the Madura Div for October 1898, disallowed the increase of pay to the temporary persons, stating as his reason that the G.O. is not applicable to these men. These persons have been employed under permanent and temporary upper subordinates, and their appointments sanctioned by this office under the authority conveyed in G.O. Nos: 537 W & 3707 dated respectively 16th February & 23rd November 1888.

2. The temporary persons employed in the Special Excention Engineer's office, Periyar

Indexed. 14/9

Works, were also ordered by me to draw the increase of pay, but the Examiner disallowed it for reasons stated above.

3. In the proposition statement submitted with this office No: 1588 R. of 28th September 1896 and printed with Chief Engineer's Memo No: 3783 C of 28th October 1896 is included both permanent and temporary peons. as the duties performed by these men are the same and the consideration of inadequate pay applies equally to both classes, I do not think that any distinction should be drawn between them in the matter of increase of salary.

4. There is nothing in G.O. No: 2261 of 1st September 1898 to show that it was intended to exclude temporary peons from the benefit of its provisions and I have the honor to request that orders may be passed, making the increased pay applicable to temporary as well as permanent peons.

Humbly Sheweth,

That your poor petitioners beg to submit for the consideration of the Chief Engineer D.W. the following few lines praying that forgiveness may be granted to their boldness in addressing the Supt Engineer & Chief Engineer, but their grievances compel them to do so. and also that their prayer may be speedily answered.

That your Petitioners are aware that Government has sanctioned to Peons of the Public Works Department a revised scale of salaries ranging from Rs 7-8 to 15 each man, with effect from 1st August 1898 - G.O. No 2261 W, dated 1st September 1898 which order was communicated to the Supt Engr Endorsement No 30 dated 17th Sept 98, in which a note is made by Col Smart R.E. as follows;

"a reference has been made to Chief Engineers as to the pay of Peons of P.W. Stores & Workshops".

Such being the fact your petitioners are grieved to find that their salaries have not been graded like the Peons of the other D.W. Provinces both there & also in the Proposal sina September last. That your petitioners beg to state that they would have petitioned your Lordship before this, but they waited & gave sufficient time to think over their rights as well.

Sir,

With reference to para 2 of G.O. No: 1871 W dated 20th July 1899, I have the honour to forward a Proposition Statement for revision of pay of Peons in the Nilgiri Sub Division, and to state that it is intended to reduce the pay of these men to the rates obtaining in the plains and give them a local allowance of Rs 2 each, so that they may exchange places with Peons in the plains when neccessity arises and also derive some benefit from the recent orders improving the position of peons in the Department.

Encls: 1 Proposition Statement.

I have the honour to be, Sir, Your Most obedt Servt

A.H. Garrett.
