Sir,

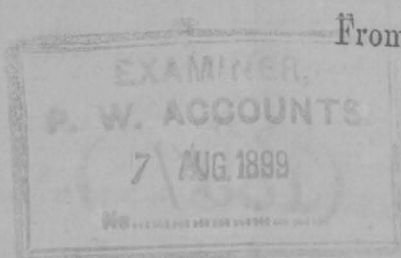

Enclosures.

2.

I have the honor to forward extracts from the Lists of Disallowances from the Travelling Allowance Bills of the Bellary Division for December 1898 and January 1899 and to state that it is not understood why the Examiner P.W. Accounts now wants information whether the Sub Inspectors would be entitled to the allowances (Claimed by them in this Department) under the rules applicable to their own Department.

2. The Sub Inspectors were in Charge of Relief works during the late famine and were allowed horse allowances corresponding to that granted to the men of this Department.
3. The allowances to those men were sanctioned by the Superintending Engineer, and this was duly Communicated to the Examiner, but after this long delay, he has disallowed the Claims. I therefore request that you will be good enough to Authorise The
