The seal of the Government of Madras is an oval emblem. It features a central shield supported by two lions. Above the shield is a crown. The shield is divided into four quadrants, each containing a different symbol. Below the shield is a ribbon with text. The words "GOVERNMENT OF" are arched over the top of the shield, and "MADRAS." is arched below it. There are small stars on either side of the shield.

offer

offer the following remarks for favourable consideration as I was unable to refer to them by telegram owing to the expense involved.

The appointment is only acting and gives me no increase of pay. In fact as Executive Engineer, 1st grade, holding an appointment with Madras as headquarters, I understand that I should be entitled to a house allowance of Rs.45.

I believe also that in the case of acting appointments it is usual to give the acting officer some portion of the difference between his pay and that drawn by the permanent officer.

I do not ask for this latter concession but I venture to submit that it is not usual to make an officer lose when given an acting appointment and I would therefore ask that either the question of house rent may be reconsidered or that I may be given an initial salary of Rs.1,050 instead of Rs.1,000 per month.

I would also ask that the principle of not making me a loser by taking up this acting appointment may be considered, should occasion arise, during the period that I may hold the acting appointment of Sanitary Engineer.

Endorsement of the Public Works Department, No.924, dated 17th August 1899.

Transferred to the Local and Municipal Department.

ORDER, No. 1743 L. Mis., dated 1st September 1899.

2. Mr. Malet cannot under the rules be granted house rent allowance, nor the salary of Rs.1,050 per mensem he asks for. Under the Regulations Mr. Malet cannot at first draw more than the minimum salary attached to the appointment.
