ORDER.

No: 2382 WZ/12.9.88

The above notice will be forwarded to the Suply. Ingr. & Co., who will take the necessary action to defend the suit if it is filed.

To
The Supts. Ingr., & Circle,
with one enclosure
" Examiner, P. W. Accounts.

Note - V. Kunda swamy Pillay
a contractor residing at Maya-
-eram, gives notice under section
424 of the Civil Procedure Code
of his intention to file a suit
against Govt.

2. Briefly his complaint is that his tender for the construction of the District Munsif's Court house

1,000-14-11-98.

At home at Shiyali was
lected by the Sub Divisional
officer, that an agreement was
taken from him on 6.10.98, & he
was ~~for~~ ordered to proceed with
the work, that being under
the belief that the whole
work had been given to him
on contract he made advances
to labourers to manufacture
bricks, chumam &c, that he
had incurred an expenditure
of Rs 464-11-6 when on 23.10.98
he received an order from
the Sub Divisional Officer stating
that the agreement made by
him had not been approved
by the Dy. Engineer, Tanjore
Division. The petitioner states
that instead of being paid
Rs 464-11-6 incurred by him
on account of advances, a bill
for only Rs 58-13-4 is made out
in his favour. He states that if
the cost of his meals & transit
charges which he included in
his bill, are objected to, the
amount of Rs 39-5-9 on this account
may be deducted & the balance
Rs

* should be ⁴²⁵⁻⁵⁻⁹ ~~425~~

^x
Rs 429-5-9 + interest thereon
at 12 p.c. from 22.10.98 & the
profit of Rs 700 which he ex-
pected to make, may be
paid to him, otherwise he
will take legal proceedings.

3. It will be seen from
the Dy. Engineer's report filed
6. Which was made on a
petition to the same effect
addressed to the Chief Engineer
that the claims of this
man are perfectly baseless.
The Dy. Engineer reports that
there was no contract but
only a piece work agreement;
that the materials collected
by the man at the site of
the work were

100 bamboos
60 casuarina trees large &
small
+ 12 cartloads of sand
all amounting to Rs 58-13-4
which amount the Sub Divi-
sional Officer was directed to
pay to the petitioner. The
Executive

Executive Engineer further states that the petitioner came to see him on 12.10.58 four days after he (the petitioner) got the order of the Sub Divisional Officer to do the work when he was distinctly informed by the Lt. Engineer that he had not accepted his agreement, & that it is not probable that in the short space of 4 days he had laid out such a large sum as Rs 464-11-6. It will be seen further from the paper flagged 2 that this man was formerly a mistry in the P.W.D., that his conduct was bad, & that the Supty. Engineer directed that he was not to be employed again in any capacity. For these reasons, the Lt. Engineer thought that it was fair & reasonable in the interest

of

of the division that the petitioner's tender was not accepted.

4. The present notice seems to be a mere threat, & it is submitted that it may be transferred to the Supty. Engr., T. Cule, with instructions to take the necessary action to defend the suit if it is filed.
