C.S.R. Article 171 (b) was referred to, as the only rule that could be quoted in support of the application. Article 171 (a) applies to transfers made in the interests of the public service. Article 171 (b) permits the Local Government to allow any salary not exceeding the maximum, on transfer of an officer, as a penalty, from a higher to a lower appointment. It follows therefore that that article should be held to cover cases of other transfers which are ^{not} due to a penalty.
