Letter from the Cons. Architect No 2871 D 7.12.98
 Office Note from the Examiner, P.W. Accounts, No 53 E D 6.1.99

Circulated to H.E. the Governor

FOR ORDERS.

The Cons. Architect requests the sanction of Govt. to the grant of the 1st increment of Roso to Mr. P. Mahony, Sub Engineer, 1st Grade. Mr. Harris states that Mr. Mahony has worked well, and in his opinion has fulfilled the conditions necessary to earn the increment.

Under para 18, Chap. I, Vol. 2 of the P.W. Code, the increment is to be given not merely on account of long service, but on account of exceptionally good service.

Mr. Mahony has been 32 years in the Dept., and the only blot on his record is his neglect of duty in permitting bad workmanship on the Connemara Library Tower.

For this he was punished by
Govt. in G.O. No 624 W dated
9th March, 1898, by being de-
prived of his Honorary title
of Assistant Engineer.

Having been already punished
for this offence, it is sub-
mitted that this matter
should not be allowed to
affect his claim to the
increment which his long
& meritorious service otherwise
entitles him. Mr. Mahony
has been in receipt of the
pay of a Sub Engineer, 1st grade,
viz. Rs 400, since the 4th October
1893, and is eligible for
the increment from 1st Nov.
1898, and the undersigned
recommends that sanction
be accorded to its grant.
