Copy of communication from
J. Varada Row Esqr. B. A. B. L. M. C. S.
Subordinate Judge, Madura (East)
to the Executive Engineer, Madura Division,
dated 8: April 1899 No. 176:—

The lessees of the Sivaganga Zemindari and certain others in joint enjoyment with them of the manur village in the Manamadura Taluq have instituted a suit in this court. O. S. 55 of 1898 against the owners of the adjoining village Olakundi for

(1) recovery of lands marked N in the accompanying plan.

(2) the restoration of the channel feeding the plaintiffs manir tank.

(3) an injunction restraining the defendants from constructing a weir on the southern side of the bund of the Olakudi Tank. K.

(4) damages.

The plaintiffs allege and the defendants

defendants deny that the weir, if built will seriously interfere with the plaintiffs channel, tank and lands and pending the result of the suit, it has become necessary to ascertain by deputing a competent professional person acquainted with irrigation works to inspect the spot and report whether the construction of the weir can be permitted to go on without serious consequences to the plaintiffs channel, their lands N in the plan and their mamun tank whether whether the weir is absolutely necessary at present for the defendants' tank.

I have therefore the honor to request you will be so good as to inspect the locality and intimate your opinion to this Court by the 14: instant.

A suitable honorarium will be paid to you after the return of the commission.
