Date.

Asst. Engineer, in colloquial Telugu. The Committee have certified that the Examinee translated the questions put to him accurately, and that he conversed intelligibly with a native workman. The certificate should have been countersigned by the Supt. Engr., but this omission may be condoned. If the certificate meets with the approval of Govt., the fact of the candidate's having passed has to be notified in the Gazette. It is recommended that the Committee's certificate be accepted and that Mr. Rama Aiyar be declared to have passed.

Questions

- 1—Go and tell the Lock Superintendent to raise water to 6 $\frac{1}{2}$ ft below the lock.
- 2—Why have you not kept the bungalow clean? You are fined 8 annas.
- 3—That earth work is not being rammed sufficiently. Put on more men on to this work.
- 4—If a tree cut down at once, cut it up into 3 fath lengths & put it on the first empty punt.
- 5—Keep that masonry watered constantly for the next 5 days.
- 6—Measure the distance from here to that place & report.
- 7—Count that money & take it with that letter to the Treasury.
- 8—Arrange for handies to cart 5 Cents of stone to the work.
- 9—Stop my boat near the village & go & tell Mr. Kurnam to bring his accounts.
- 10—These bamboos are not good ones—take them away.
- 11—Dig that trench 235 ft long 23 ft wide & 3 $\frac{1}{2}$ feet deep.
- 12—Drive those cattle feeding on the river bank to the pound and bring me the receipt. A break has occurred in the canal bank. Explain to the Officer what he should do to get it closed.
