Read—the following paper:—

From the Deputy Adjutant-General, Madras Command, to the Secretary to the Government of Madras, Public Works Department, dated Ootacamund, 19th August 1899, No. 12614 B/W.

With reference to paragraph 218-B, Bengal Barrack Regulations, I have the honour, by desire of the Lieutenant-General Commanding the Forces, Madras, to forward the accompanying extract from the Madras Command Schedule of Military Works demands (new Major Works) for the year 1900–1901.

Enclosure.

Schedule of demands for Military Works of the Superintending Engineer, Madras Command, or Superintending Engr., or Local Govt., or Administration for the official year 1900–1901.

List of new Major Works requirements arranged in order of urgency according to the wishes of the Lieutenant-General Commanding Forces, Madras Command.

Executive division.	Locality.	Item No.	Name of work.	Amount of estimate.	Allotment suggested for 1900–1901.	Particulars of sanction to estimate or state of project.	Remarks ordered by Lieutenant-General Commanding.

Order—No. 2428 W., dated 15th September 1899.

Under paragraph 218-B of G.O., No. 22, dated 1st April 1896, communicated by the Quartermaster-General in India with his letter No. 1608-B., dated 26th May 1896, the schedules of demands for 1900–1901 on account of military works at stations in charge of the Public Works Department will be forwarded to the Director-General of Military Works. Statement A shows the requirements for major original works in progress, minor works, repairs, establishment and tools and plant; and statement B contains a new major original work reported to be very urgent, which can be undertaken during the year, if funds be made available.

2. Sums of Rs. 5,000 for minor works and Rs. 50,000 for repairs have been entered, these amounts being those usually entered under these heads.

3. As in previous years, no provision has been made on account of Commissariat and Ordnance works, the existing procedure in regard to such works not being affected by the revised rules.

4. The Superintending Engineer, IV Circle, will at once arrange for the preparation of the necessary plans and estimates for the work included in Statement B.
