of my six leave. Virtually I had no time to join my old ~~appointment~~ post nor new appointment before the expiry of leave, which date happened to be the date of receipt of transfer order.

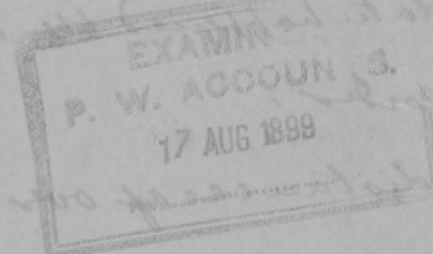

Considering the long distance of over 700 miles, I had to travel from Tanjore with family and luggage to join Vizagapatnam Division and ^{heavy} expense I had to undergo, I beg that you will be pleased to recommend my claim for actual expense for travelling ^{being paid} under article 1205. Civil Service Regulation as detailed in my report no B of 1st June 1899 with its enclosure (here with) as a special case.

I further beg to inform you that I ^{have} had to incur an additional expense by my having been transferred from Vizagapatnam Division to Godavari Central Division, soon after I have joined the former as the distance between the above two places ^{being} ~~was~~ ^{between the actual expense} under 200 miles and I had to get back all my luggage from Vizagapatnam at my own expense. I have here in enclosed the Rail way receipt for Rs 41-15-0 for my luggage for your kind perusal and I have paid transit charge Rs 3 from Godavari for the 5 Godavari.
