His Excellency the Governor — Temporary Establishment Stores & Workshops

ORDER.

No: 2450 W dy 18-8-99

The employment during 1899-1900 of the undermentioned establishment in the Public Works Stores and Workshops Divisions is sanctioned:-

(a) 1 Muchi on Rs.11 per mensem.
(b) 1 Sweeper " 7 ,,
(c) 1 Checker " 17 ,,
(d) 1 Conicapillay 14 ,,
(e) 1 Marker " 13 ,,
(f) Head Cooly " 12 ,,

These men have hitherto been employed locally, their pay being --- charged to "Works". From the nature of their duties, items (a) and (b) are properly a charge against Establishment Salaries, and the sanction accorded to them has been registered as Provincial No. 57 W of 1899-1900 and classified as Establishment, Temporary. The rest of the items will, as hitherto, continue to be charged to Works.

To The Suptg. Engineer, V Circle.
,, Exar. P. W. Accounts.

P. W. 4. 1,000—18-7-99.

P.T.O.

Note. With reference to G.O. No.331 W d/2nd February 1899, the Suptg. Engineer applies for sanction to the employment of the establishment detailed above. The general question as to which men can be locally employed and which should come up to Government is now under consideration. In the meantime it is proposed to sanction the employment of the men in question as it is stated that they have been employed for many years and their services are necessary both in the P. W. Stores and Workshops Dns. The duties of these men are detailed in the General Supdt's letters Nos. S. 473 d/10th April 1899 & 64 S.E. d/ 31st July 1899 (Flagged N) and the proposition statement attached thereto. It is probable that the duties performed by the men referred to in items (c) to (f) are done by clerks and lascars in the Dowlaishweram and -- Bezwada Workshops, but the business at the latter stations is not so extensive as to admit of any comparison with that of the P.W.Stores & Workshops which are for the whole province.

I presume you refer to the the latter part of the rule in P.W.Code I.VI.9 with reference to which no -- salary charges of any kind (except for hot weather Establishment) should be included in Contingent Bills- This rule was for the first time introduced into the 5th: Edition of the P.W.Code by S.O. No.150 dated 27th: December 1888 and - applies to items which were once charged to Establishment Contingencies instead of to Establishment "Salaries". - The - pay of the Muchi and sweeper under - reference is being charged to "Works" ---- and although under P.W.Code I.IX.17, - there is no restriction as to the -- classes of Establishment whose pay may be charged to works,yet,as the conditions prescribed in the above para cannot be considered to be fulfilled,the pay of the two men should properly be -- charged to Establishment salaries, -- Temporary with the sanction of Government.

2. The above view of the matter appears to have escaped notice, but when G.O.No.331 W dated 2nd: February 1899 issued the question regarding the sanction to Works Establishment entertained,as noted below,

I checker on Rs: 17/- per mensem
I Concapillay ,, Rs: 14/- Do.
I Marker ,, Rs: 13/- Do.
I Head cooly ,, Rs: 12/- Do.
I Moochee ,, Rs: 11/- Do.
I Sweeper ,, Rs: 7/- Do.

was taken up and the General Superintendent P.W.Stores and Workshops in reply stated that sanction of Government would be obtained to the last 2 items, the other men being properly chargeable to Works.

3. It seems to me however that under the G.O.quoted the sanction of Government is necessary to all the items,the first 4 as a charge to Works and the - last 2 as a charge to Temporary Establishment Salaries.

SIR,

Enclosure.

I have the honours to request that you will be good enough to reconsider your letter No. 655 A/A dated 20th may 1899, pointing out that the Sanction of Government is necessary to the entertainment of the Time Keepers, Tool Keepers etc. These men are employed entirely on account of the Workshops, are charged to Jobs (through the general charges account) and work solely for the Shops. They cannot be classed with gardeners, coolies etc whose entertainment is objected to in the G.O. quoted in your letter. It is true that the Time Keepers etc are not "employed on Supervision of works", but I hardly think it could have been the intention of the order to require the Sanction of Government in such cases.

I have the honour to be
