Note.

It is stated that on the transfer from the South Arcot to the Tanjore Division of the upper subordinate who was in charge of the Mannargudi section of the former division, a water regulation Superintendent has been placed in temporary charge and the employment of a peon for duty under the latter has become necessary. Under Ordinary circumstances, a Superintendent is not entitled to a peon, and the Examiner has passed his pay provisionally pending sanction to his employment. As it is reported that the services of a man are necessary and that the Superintendent will retain the charge only until relieved by an upper subordinate, it is proposed to sanction the employment of the peon.
