Note.

At the instance of the Examiner,
the Supdt. of Works, Light House Dn.,
submits an estimate of Rs.474 for the
probable expenditure during 1899-1900,
in connection with the cement testing
operations. The amount involved being
very small, the Examiner is of opinion
(1) that it may be charged to 45 Pro-
vincial Civil Works an estimate being
~~submitted~~ ^{sanctioned} annually to cover the outlay;
(2) that it does not seem desirable
to undertake any elaborate accounting
in distributing the charges rateably
to the indenting Divisions, more especially
as the Superintendent is not disposed
to open any suspense accounts; and
(3) that if the charges in any one year
are heavy the matter may then be specially
considered.

The Examiner's suggestion will
greatly simplify matters and may be adopted.

2. The Examiner further proposes
that the pay of the gauger on Rs.12 per
mensem sanctioned in G.O. No.881 W d/
22nd March 1899 be also debited to Pro-
vincial Funds. The requisite provision
has accordingly been made in the esti-
mate and that portion of the G. O. in
question sanctioning his employment
may, therefore, be cancelled.

Madras,

To

THE

THE Secretary to Government
Public Works Dept^l.
Madras.

SIR,

With reference to your
endorsement N^o 3204 C. dated 20th July 99
I have the honour Submit herewith an
estimate for Cement testing based on the
assumption that the pay of the ganger
Sanctioned in G. O. N^o 881 W. dated 22nd
March 1899 will be charged to Provincial
and that the Cost of the Cement testing
machine will, until the light house
division is closed, continue to be
charged to Excluded Local.

121 I do not understand what the other charges are which the Examiner estimates at Rs 35 per mensem as Mess^{rs} Arbuthnot & Co. have presented me with a set of sieves and the only other charge is for sand and sundries which will not

not exceed Rs 50/- per annum. annum 2
(3) As the total amount of the
estimate is only Rs 474. and the Examiner
appears to agree that it is not worth while
to undertake elaborate accounts I request
that the estimate may be sanctioned
under Provincial minor new works
or repairs

I have the honour to be
Sir,
your most obedient servant
