In this letter N° 3047 of 19.8.99 to the E.E. North Arcot Dn the S.E. III Circle brings to notice that in March '97 he ordered a cch of 24 tents from the Vellore jail but that this order was subsequently ~~cancelled~~ cancelled as the E.E. North Arcot replied that he could supply the required tents from his Dn - He subsequently found however that one plents a "necessary" was an useless so he ordered a new one from the jail and sent it with the others to the III Circle. The supply of the tent was not sanctioned in any G.O. and the S.E. III now asks the E.E. to obtain the necessary sanction as the tent has since been handed to the N.A. Dn.

As the tent was originally obtained for use in the III Circle, the S.E. III seems to be the proper person to apply who should apply for the necessary sanction.

FURTHER PAPERS.

No.	Date.

Letter No. 3047 dt 19 august 97 from Lieut-Col W. L. C. Baddeley RE, Superintending Engr III Circle, Bellary, to the Executive Engr. North Arcot Division.

With reference to your letter No. 1272 M dated 10th July 1897, I have the honor to state that the purchase of the necessary tent bearing Jail No. 257 was not sanctioned in any G.O.

2. In this Office No. 4254 dated 2.3.1897 the Superintendent Central Jail Vellore was asked to supply to the Officer in charge of Anantapur Famine Sub-Division the following tents

1 Hill tent 12'×12'
1 Cashmere do. 10'×10'
1 Servants do 10'×10'
1 Necessary do.

but as the Executive Engineer North Arcot Division in his telegram dated 11.3.1897 stated that he can supply the above tents from his Division, the order to the Jail was cancelled and the Executive Engineer asked to supply them.

3. When sending the 4 tents the Executive Engineer did not send the old necessary tent beside his letter No. 212 SE dated 29th april 1897 but got a new one from the Jail and sent it to Anantapur and this is the one that bears the Jail No. 257.

4. As the tent has since been transferred

to the North West Division I have to request that you will be good enough to send an Estimate to the Chief Engineer and obtain the Sanction of Government as well as P.W.D. Register No. if this is considered necessary.
