From the Collector of Tanjore, R.Dis.No.359/Rev. of 99,dated 4th September 1899:-

I have the honour to inform you that a piece of land measuring acres 1.75, in Naivilanjeri village, Shiyali Taluk, is required for the construction of a new Court-house for the District Munsiff, Shiyali.

As it is desirable, in order to ensure Government an indefeasible title to it, to acquire the land under the provisions of the Land Acquisition Act I of 1894, I herewith forward a draft declaration under section 6 of the Act that it is needed for a public purpose and request that you will be so good enough to order the same to be published in the Fort Saint George Gazette.

2. I further request the orders of Government for its acquisition.

3. The land is an Inam Iluppai tope in Survey No.214 A common to 12 pattahdars of the village who divide the proceeds of the trees 72 in number in proportion to the extent of land enjoyed by each. Nine of the owners have given their consent to part with the land at Rs.1-8-0 per cent and the trees at Rs.8 per Iluppai tree. The rate for the trees has been fixed by the Tahsildar of Shiyali but as regards the land his value is only Rs.1-2-0 per cent. This will however be settled by the Land Acquisition Officer at the time of passing the award.
