GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following paper:—

From A. H. L. FRASER, Esq., C.S.I., Officiating Secretary to the Government of India, Home Department—Public, to the Chief Secretary to the Government of Madras, dated Simla, 29th August 1899, No. 1901.

I am directed to invite attention to Home Department letter No. 248, dated the 31st January 1899, containing instructions for the communication to the Government of India of information relative to matters of political or administrative importance.

2. Paragraph 5 of that letter requires that the preliminary report should be followed by a later report communicating the decision arrived at and the orders passed by the Local Government or Administration. On further consideration the Governor-General in Council is pleased to direct that, in cases which the Local Government or Administration does not consider of at all a serious character, the further report need not be submitted. The telegraphic report required by paragraph 4 should in such cases close with the words "no further report seems necessary." If the trifling character of a case is discovered from later reports the Local Government or Administration should intimate that fact.

Order—No. 1013, Public, dated 8th September 1899.

Communicated to Departments of the Secretariat, in continuation of G.O., No. 223, Public, dated 23rd February 1899.
