ORDER

The Examiner of Public Works Accounts, is authorised to admit the outlay incurred in excess over appropriation, during 1898-99, on the following works in the Bellary Division:-

Grant outlay

(a) Farm tools Gaduons. 2,528-3,115

" Exar. P. W. Accts. ✓ 8/1/11

Note. The excess on item (a) is attributed to an irregular debit of Rs. 613/- to this work during last year which has since

since been written back. The work is reported to have been completed in the current year with a saving of Rs. 1,105. The excess may be admitted.

2. The excess of Rs. 712 on item (c) is said to include a sum of Rs. 295 being the outlay on Civil Buildings in charge of the Military Works Department adjusted in March 99 and an outlay of Rs. 27 which appeared in March Supplemental Accounts.

There is no explanation as regards the balance in Rs. 390. Considering that the grant under this head is lump sum and that the excess of Rs. 390 in question is below 5 per cent, the item may be passed.
