Private Employers in
Ottacamund are obliged
to supply their gardeners
with a warm coat at
least. It does not cost
more than 2 or 3 Rupees.
These men moreover
get less pay than private
servants. The ordinary
pay for men of this class
is Rs 9. They only get
Rs 8. And as they neces-
sarily have access to
the office rooms to sweep
&c. they have opportuni-
ties of pilfering. If they
are to be kept honest,
they ought to be well
treated.

Submitted, therefore, that
the Ass^t Surgⁿ be authorized
to supply them with a warm
jacket each at once -
and come up for sanction,
if necessary -
