SIR,

I am directed to state that complaints have been received from the India Office that much waste paper is sent home with the medical cases of officers, and that these reports are not the only ones so overloaded. It is said that the medical cases of officers are sometimes sent home in duplicate and even triplicate, and that the covering letter is at times needlessly bulky. All that is needed by the India Office in these cases is one copy of the case with a covering letter on a single page. I am accordingly to request that in future, care may be taken to avoid putting spare sheets into any collection of papers sent to the India Office, and to keep down, in every possible way, the bulk of such collections.

Sir,

G. H. Walker
