NOTE. In G.O. No.3042 W dated 28th November 1898, sanction was accorded to the entertainment of a Survey establishment at a total cost of Rs.2,988 for the investigation of the Bhavani Project. It is reported that when the first proposition statement was submitted it was not anticipated that such

a large area would lie between 880' and 930' contours and that the additional outlay of Rs.122 shown in the revised statement is nothing when compared with the actual outturn of work. The excess is attributed chiefly to

(1) Employment of a less number of -- surveyors for a longer period

(2) Entertainment of a certain number of Shikari lascars on varying rates of pay viz Rs.7½, 8, 9 and 10 to serve in exigencies on the Nilgiri Eastern Slopes, where wild beasts such as elephants, tigers, &c were frequently met with.

Both the Suptg. Engineer and the Chief Engineer for Irrigation recommended the proposal. It is, therefore, proposed to sanction the revised scale.

Letter from Mdy P. V. Manickam Nayakar Avergal, Assistant Engineer in charge Bhavani-Cawveri Investigation scheme, to the Superintending Engineer, Fourth Circle, No. 293, dated 17th July 1899.

I have the honor to submit a revised proposition statement of the temporary Establishment employed in the Bhavani Project Investigation.

When the first proposition statement was submitted it was not anticipated that such a large area will lie between 880' and 930 contours and in comparison with the amount of work turned out the excess amount Rs (120) requiring sanction is not anything considerable.

2

12 2

Owing to difficulties in procuring efficien men the whole number of Surveyors sanctioned vide G.O. No. 3042 W of 28th November 1898 was never employed and consequently the period had to be exceeded.

The excess Rs 278 in the amount sanctioned for Surveyors is accountable for the non-employment of Draftsmen except one on Rs 50 for a short period and whose work the Surveyors had to do themsel

As

As wild beasts such as Elephants, tigers, bisons &ca are frequently met with in the Nilgiri Eastern slopes, the Surveyors had to be provided with Shikari lascars i.e. Shikaries doing duty as lascars to serve in exigencies and those few were paid at Rs 7½, 8, 9 and 10 per mensem.
