To

The Chief Engineer

Public Works Department

Sir,

Enclosures.

I have the honour to state that His Excellency the Governor gave me permission verbally to collect materials and clear the ground for laying foundations to the additions for Government House at Arcot and from the 20th September. As the estimate may take some time to be sanctioned, and considering that the work should be completed in six months, I beg to solicit orders to commence making doors & windows and preparing other timbers which will be required soon after the work is started.

I

I have the honor to be
Sir
Your most obedient servant
C. S. Davis /
Consulting Architect
to Governments.
