From the Superintending Engineer, IV Circle, dated 28th June 1898, No. 341 W.
Office-note from the Examiner, Public Works Accounts, dated 21st Feb. 1899, No. 219 A.E.
" " " " " 13th Mar. " " 300 A.E.

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 15th April 1899, No. 489 G.

With reference to correspondence ending with your letter No. 623 W., dated 1st March 1899, in which you request to be favoured with orders—

(1) regarding the question whether all soldiers appointed to the department from the College of Engineering may draw exchange compensation allowance without question under the new rules, and

(2) in respect of the claims of the officers and subordinates named on the margin to exchange compensation allowance.

Mr. C. H. T. Norfor, Executive Engineer.
" J. C. Johnston, " "
" M. Kharegat, Assistant Engineer.
" F. Heinig, Assistant Engineer, Provincial Service.
" F. W. Cornwell, Assistant Engineer, Provincial Service.
" J. Willis, Supervisor.
" J. W. Walsh, Supervisor.
" C. Dawson, Subordinate Establishment Storekeeper, Kurnool division.

2. I am directed to reply that all soldiers employed as members of the Upper Subordinate Establishment of the department may draw the allowance without question under the new rules, provided they are not Natives of India as defined by the Statute (see definition under paragraph 4 of Finance and Commerce Department Resolution No. 2422 Ex., dated 31st May 1897).

3. Secondly, in regard to the individual cases I am to observe that Messrs. Norfor, Johnston, Willis and Walsh are included in classes of officers on whose claims orders have been reserved.

Mr. Dawson is not entitled to the allowance as he does not hold a qualifying appointment. Mr. Kharegat is not an European or Eurasian, and therefore, although appointed in England, his claim is inadmissible (*vide* paragraph 3 of Finance and Commerce Department Resolution No. 2422 Ex., dated 31st May 1897).

As to Messrs. Heinig and Cornwell I am to state that they are ineligible for the allowance under paragraphs 7, 8 and 39 of Finance and Commerce Department Resolution No. 4847 Ex., dated 5th November 1898, but as they accepted promotion to the Provincial Engineer Service before the issue of that Resolution, and were not informed that they would, on promotion, lose the allowance which they were drawing, under the orders of 1893, and for which they would also, it is understood, be qualified, under the more recent orders, had they continued in the Subordinate grades, their claims have been referred to the Secretary of State. Orders in regard to them will issue on receipt of His Lordship's reply.

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 28th June 1899, No. 919 G.

With reference to the correspondence noted on the margin,* I am directed to state that Her Majesty's Secretary of State for India has, on the recommendation of the Government of India, and in the special circumstances of the case, sanctioned the continuance of the grant of exchange compensation allowance, in addition to their salaries, under the orders contained in P.W., No. 2 G., dated 3rd January 1899, and subject to the order circulated therewith, to the officers named on the margin † who were drawing the allowance under the orders of 1893, when they were promoted to the Provincial Engineer Service.

* P.W.D., No. 3056 G., dated 2nd Dec. 1898.
" " 489 G., " 15th April 1899.

† Heinig, F., Assistant Engineer, 2nd grade.
Cornwell, F.W., Assistant Engineer, 3rd grade.

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 5th July 1899, No. 957 G.

With reference to paragraph 3 of Public Works Department letter No. 489 G., dated 15th April 1899, I am directed to refer to Finance and Commerce Department Resolution No. 2556 Ex., dated 5th June 1899, and to state that the question of the title of the officer and subordinates named in the margin to exchange compensation allowance under Public Works Department Circular letter No. 2 G., dated 3rd January 1899, and the orders circulated therewith, should be disposed of by the Government of Madras under the resolution quoted above.

Mr. J. C. Johnston, Executive Engineer.
" J. Willis, Supervisor.
" J. W. Walsh, Supervisor.

2. In regard to Mr. Norfor, I am to refer to the orders communicated in Public Works Department letter No. 924 G., dated 29th June 1899.

From the Superintending Engineer, III Circle, dated 5th August 1899, No. 2867 W.

Order—No. 2709 W., dated 13th October 1899.

In the correspondence ending with letter No. 623 W., dated 1st March 1899, the orders of the Government of India were requested—

(1) on the question whether all soldiers appointed to the department from the College of Engineering may draw exchange compensation allowance without question under the new rules, and

(2) in respect of the claim of the officers and subordinates named in the margin to exchange compensation allowance.

Mr. C. H. T. Norfor, Executive Engineer.
" J. C. Johnston, " "
" M. Kharegat, Assistant Engineer.
" F. Heinig, " "
" F. W. Cornwell, Assistant Engineer.
" J. Willis, Supervisor.
" J. W. Walsh, Supervisor.
" C. Dawson, Storekeeper, Kurnool division.

2. As regards the first question the Government of India replies that all

soldiers employed as members of Upper Subordinate Establishment of the department may draw the allowance without question under the new rules provided they are not Natives of India as defined by the Statute.*

3. As regards the claims of those Military Upper Subordinates who have already been permitted to draw exchange compensation allowance, the Examiner is authorised to continue the allowance to such men irrespective of any promotion they may receive subsequent to 1st April 1897. The claims of other Military Subordinates will be separately considered and orders passed on each case. Those who are not Natives of India will be granted the allowance, but others who have acquired an Indian domicile will be brought under the rules applicable to Natives of India.

4. As regards the claims of the officers and subordinates mentioned in the margin of paragraph 1 above, the Government of India have, in a communication which has been disposed of separately, rejected Mr. Norfor's claim to the allowance. Messrs. Kharegat and Dawson are also declared to be not entitled to the allowance. The latter has been hitherto drawing the allowance under the old rules, but this will now be disallowed with effect from the date of this order.

5. In the case of Mr. Johnston, exchange compensation allowance was granted to him under the old rules under G.Os., No. 3016 W., dated 21st November 1893, and No. 2754 W., dated 30th October 1894, and as under the Resolution of the Government of India, Finance and Commerce Department, No. 2556 Ex., dated 5th June 1899, officers of his class are entitled to exchange compensation allowance, if not personally debarred as Statutory Natives of India, the allowance will continue to be passed to him as heretofore.

6. In letter No. 919 G., dated 25th June 1899, the Government of India state that Messrs. Heinig and Cornwell may be granted the allowance subject to the orders printed in G.O., No. 343 W., dated 3rd February 1899. As Mr. Heinig has received no increase to his salary since 1st April 1897, the allowance may be passed to him up to the date of his retirement. In the case of Mr. Cornwell, he was promoted to Assistant Engineer from Supervisor with effect from the 1st April 1898, and as he received an increase of pay subsequent to 1st April 1897, the allowance cannot be passed to him.

7. With regard to Messrs. Willis and Walsh, who are Upper Subordinates in the Public Works Department, the allowance was passed to the former in G.O., No. 86 W., dated 15th January 1894, and to the latter in G.O., No. 85 W., dated 15th January 1894. These subordinates are now entitled to the allowance under paragraph 2 (*b*) of the Resolution of the Government of India, No. 2556 Ex., dated 5th June 1899, communicated with G.O., No. 703,† Financial, dated 17th June 1899. The allowance will therefore be continued to them.

In forwarding herewith, an applic from Mr. J. Willis for the grant of Exchange Compensation Allowance I have the honour to inform you, that he refers to a resolution of the Govt of India published in the Madras Mail and which has not been communicated to this office officially as yet. According to this notification he can be granted an allowance only as a special concession. I therefore believe that sanction of Government is necessary.

Department, dated the orders as to what are the appointments by virtue of holding which an officer, appointed in India, not being a statutory native, becomes entitled to Exchange Compensation Allowance.

RESOLUTION.—Orders were reserved in the Resolution of the 5th November, 1898 in regard to the eligibility for exchange compensation allowance of the following officers and appointments recruited in India:

(1) European and Eurasian Engineers appointed from the Indian Colleges before recruitment from those Colleges was limited to statutory natives. (2) European and Eurasian Engineers appointed direct before recruitment was limited to officers sent out from England and officers appointed from the Indian Colleges.

This category includes a few officers appointed after passing the direct examination of the Thomason College. (3) Non-military Upper Subordinate Establishment of Sub-Engineers, Supervisors and Overseers employed in the Public Works Department and in the Military Works Department. Note.—This category includes pensionable subordinates of the same class in the Railway Branch, not belonging to any of the classes of Railway *employees* referred to in paragraph 4 of the Resolution of the 5th November 1898. (4) Subordinate Account establishments of the Public Works and Military Departments and officers promoted therefrom to the superior branch of the same establishments. (5) Examinership of Marine Accounts. (6) Civilian overseers at the Remount Depôts. (7) Clerical and ministerial appointments in Government offices other than those which are admitted in paragraphs 36, 37, and 38 of the Resolution of the 5th November, 1898.

Under instructions from the Secretary of State, His Excellency the Governor-General in Council is now pleased to pass the following orders in regard to each of the classes of officers and appointments above specified: (*a*) Engineer officers of the classes specified are eligible and may be admitted to Exchange Compensation Allowance if not personally debarred as statutory natives of India. (*b*) It is the declared policy of the Government that the non-military Upper Subordinate establishments referred to in Clause (3) of paragraph I should be filled with persons born and brought up in India. Exchange Compensation Allowance will not, therefore, be issued to persons appointed to that establishment after the 31st March, 1897. The allowance may, however, be granted, as a special concession, to those who were members of it on that date, and are personally qualified. (*c*) The Subordinate Account establishments of the Public Works and Military Departments are not establishments in which a proportion of Europeans is indispensable and members of these establishments are therefore not eligible for Exchange Compensation Allowance.

The Superior Branches of these establishments are officered by systems intended to secure a considerable European element, and those who have not been admitted through such channels cannot be held to have been appointed as Europeans. Officers promoted from the subordinate grades are therefore not eligible. As a special concession, however, the few officers in the Public Works Accounts Department who were promoted to the Superior Establishment before 1st January, 1893, may be treated as eligible, if personally qualified.

(*d*) The Examinership of Marine Accounts cannot be classed as an appointment which should in itself carry Exchange Compensation Allowance. But an officer selected for the appointment from the Royal Navy or Royal Indian Marine or from the eligible grades of any of the Accounts Departments will be eligible, if otherwise qualified. (*e*) The duties of civilian overseers at the Remount Depots are not of such a character as to require such European qualifications as cannot be found among statutory natives of India. They cannot, therefore, be regarded as eligible for Exchange Compensation Allowance. (*f*) The duties of clerical and ministerial appointments generally are such as can be discharged by native agency, pure and statutory, and no claim can be recognised on behalf of the few Europeans, not being statutory natives, in clerical and ministerial employ who are not eligible under paragraphs 36, 37 and 38 of the Resolution of the 5th November, 1898. It should be clearly understood that these orders merely supplement those contained in the Resolution of the 5th November, 1898, and are subject to the condition laid down in the latter part of paragraph I thereof that they do not render a person appointed in India eligible for the allowance, if he is a *native of India* within the definition of that term in Statute 33 Vict., Cap. 3, Section 6.

Papers at Madras

Sir,

With reference to correspondence ending with your letter No.623 W., dated 1st March 1899, in which you request to be favoured with orders

(1) regarding the question whether all soldiers appointed to the Department from the College of Engineering may draw Exchange Compensation Allowance without question under the new rules and

(2) in respect of the claims of the officers and subordinates named on the margin to Exchange Compensation Allowance.

Mr.C.H.T.Norfor,Executive Engineer. ✓
Mr.J.C.Johnston " "
Mr.M.Kharegat Assistant Engineer. ✓
Mr.F.Heinig,Assist.Engr.Provl. Service.
Mr.F.W.Cornwell,---Do.-----
Mr.J.Willis,Supervisor.
Mr.J.W.Walsh, "
Mr.C.Dawson,Subdte.Estabt.Storekeeper Kurnool Division.

2. I am directed to reply that all soldiers employed as members of the Upper Subordinate Establishment of the Department may draw the allowance without question under the new rules,provided they are not Natives of India as defined by the Statute (see definition under paragraph 4 of Finance and Commerce Department Resolution No.2422 Ex.,dated 31st May 1897).

3. Secondly in regard to the individual cases I am to

observe

observe that Messrs Norfor, Johnston, Willis and Walsh are included in classes of officers on whose claims orders have been reserved.

Mr. Dawson is not entitled to the allowance as he does not hold a qualifying appointment. Mr. Kharegat is not an Europran or Eurasian, and therefore, although appointed in England, his claim is inadmissible (vide paragraph 3 of Finance and Commerce Department Resolution No. 2422 Ex., dated 31st May 1897).

As to Messrs Heinig and Cornwell I am to state that they are ineligible for the allowance under paragraphs 7, 8 and 39 of Finance and Commerce Department Resolution No. 4847 Ex., dated 5th November 1898, but as they accepted promotion to the Provincial Engineer Service before the issue of that Resolution, and were not informed that they would, on promotion, lose the allowance which they were drawing, under the orders of 1893, and for which they would also, it is understood, be qualified, under the more recent orders, had they continued in the Subordinate grades, their claims have been referred to the Secretary of State. Orders in regard to them will issue on receipt of his Lordship's reply.

I have the honour to be,
Sir,
