To

The Chief Engineer

Madras.

Sir,

Enclosures.

1. Completing wire fencing round Durum garden. Rs 200/-
2. Minor additions to Govt House Quindry incomplete to Rs 950/-

Referring to your memo No 3768 dated 13th September 1899, I have the honor to give up the following grants on Government House Quindry as marginally noted, to keep the grant within Rs 15,000/-. It is requested that this surrender may be transferred to works at the Accountant General's office for providing a covered passage at the Southern & Western of the new Currency vault which is very urgent & must be completed at once for these vaults

2. As regards para 2(a) & (b) of your memo under reference, a transfer of funds has been proposed, and in case of para 3 the work boarded floor in the South gallery of the Senate House has been omitted from the progress report. As the works at the Senate House are now treated as Contribution

Contributions works & not as hitherto under
excluded locals (university fee fund).

I have the honor to be

Sir,

your most obedient servant
