Through the Collector of the Nilgiris

Sir,

Referring to my letter No. 134 M. dated 24 July 99, I have the honor to inform you that the Municipality is put to considerable inconvenience by not receiving the house and water taxes on public buildings in this town for the half year ending 30 September 99 because the Civil Architect, who has been recently appointed to have charge of these buildings, considers that a different procedure to that followed for years, should be adopted regarding "Certificates".

2. These "certificates" are not prescribed by the Act, nor by any rule under the Act, and it seems hard that the Municipality should be put to so much unnecessary trouble and inconvenience in collecting the taxes authorized by law.

I have the honor to be,
Sir,
Your most obedt Servt.
